Re: *August 12, 2015 GRAMA Request*

Mr. Cromar;

My office received your request for records on August 12, 2015, the request asks for records of all free rounds of golf played at the Cedar Hills Golf Course during the week of August 11 – 17, 2014. The city no longer maintains the records you are requesting because of a change in the golf course reservation software system that occurred in December of 2014. These records are classified as *Reservation Records* and have a retention date of one year; however, all golf course reservation records before December 2014 are no longer available to us.

If you have any questions, please feel free to contact me at your earliest convenience.

Regards,

Colleen A. Mulvey
City Recorder
