Dean Marshall Spencer, Authorized Person, in behalf of Allegedly Disabled of the above said Cromars, a living man and woman - Applicants (See Previous Response Stacey R. Haacke, Addendum "C" Vexatious Litigants Order) applies to the Appellant Court Clerk under Rule 19(a) addressed to Chief Justice Matthew B. Durrant with this amendment to amend the answer to the response by and through Counsel Stacey R. Haacke as an Amended Application.

Barbara and Ken Cromar are seeking protection of this court from a judiciary that has gone off the rails in a destructive course of Abuse of Process and Wrongful Use of Judicial Authority designed to circumvent Three (3) Writs of Habeas Corpus in an attempt to justify a trial that

should have never occurred, was in mistrial before it began, along with numerous attempts to deny the Cromars of due process of law and justice. One can only wonder as to the real reasons and parties behind this kind of behavior.

On July 21, 2022, hours after Judge Christine Johnson received her copies of the filing in the Utah Court of Appeals, for the Response and Amendments to Barbara and Ken Cromar's cases in the Appellate Court, with specific direction for sending the documents to Chief Judge Matthew B. Durant of the Utah State Supreme Court; Judge Johnson issued "Bench Warrants" for Barbara and Ken Cromar.

The Bench Warrants state, "Based on the No-Show Memo received by the court regarding the defendant not appearing at the office of Adult Probation and Parole, the court orders a nonbailable bench warrant to issue." and "Based on the defendant's failure to appear at Adult Probation and Parole, the court orders a non-bailable [sic] bench warrant." (See the Bench Warrants Exhibits)

In an email sent to the Amber Evans Clerk of the Fourth District Court, in Provo Utah, Barbara and Ken Cromar provided the following response on July 22, 2022:

"We've received two emails notices of Bench Warrants for our arrest. There appears to have been a serious and dangerous error made here. We do not understand why this has been done in that we've had contact with Cheyenne and Heather Henrie at AP&P and have communicated with three times and we have an understanding regarding the matter from many days ago. Did anyone there talk with Heather prior to making those orders? As you know, we are working on an "Extraordinary Writ" through the Utah Court of Appeals and are working through a lawful and honorable process. This morning we also updated Mark Colby, who promised to send paperwork so we could work on the those details with our Counsel, in anticipation of the report that they say they must provide Madam Johnson by August 14, 5 days before "sentencing"... We are working within process and time frames. Therefore, in the meanwhile, we think it appropriate to respectfully require of this court the immediate removal of the Bench Warrants, so that we are NOT inappropriately arrested yet again." (See Bench Warrant Email Exhibit)

Barbara and Ken Cromar are continuing to seek protection from Judge Christine Johnson and officers of the court and their continued Abuse of Process and Wrongful Use of Judicial Authority or Failure to Comply With Duty.

As noted in the heading of the Docket in Fourth District Court – Provo Utah for Case Number 201402860 as per the draft of the court docket on July 21, 2022, the case against Barbara and Ken Cromar has been noted as "on Appeal Case # 20220593." Clerk of the Court Amber Evans remarked in an email on July 26, 2022, "This is how our cases get marked, whether it is an interlocutory appeal, appeal on a final order, or emergency application. We won't pause or stay court proceedings until the Court of Appeals notifies us to or the judge [Christine Johnson] makes a ruling staying proceedings." This statement is damning to Johnson's court because the new docket title and contents show the court acknowledges and admits the existence of the Extraordinary Writ(s) and also by admission that Johnson has the ability to stay the proceedings. (See Forth District Court Docket Exhibit)

The Docket Shows Three Entries Regarding
Lawfully Filed Writs Of Habeas Corpus

On the first day of trial Paragraph #3 Page 47 of 65 of the Court Docket on June 27, 2022 prior to 9:20 am minute entry shows: "Before beginning with the jurors, Mr. Cromar states that he filed a Writ of Habeas Corpus and this case should not be moving forward. He tries to provide a copy to the court. The court declines to accept the documents as Mr. and Mrs. Cromar have been provided access to a public defender to eFile documents. This wasn't filed through their office therefore the court will not accept it." (Ibid)

Paragraph #3 Page 48 of 65 of the Court Docket on June 27, 2022 states: "1:09 [pm] Mr. Cromar addresses the court again regarding his emergency Writ of Habeas Corpus. The court has been in contact with the presiding judge [Kraig J. Powell] who has been in contact with general counsel at the Administrative Office of the Courts and she has been told she may proceed. Mr. Cromar states other objections on the record." (Ibid)

Paragraph #4 Page 48 of 65 of the Court Docket on June 27, 2022 states: "1:12 [pm] Mr. Cromar addresses that he was not allowed to have his subpoenas issued when he came into court on June 16, 2022. The clerk denied to accept and issue the subpoenas. Mr. Cromar states that he does not understand and they do not consent to these proceedings." (Ibid) Twice on the first day of the

trial, prior to the proceedings and immediately after lunch recess, Ken Cromar attempted to alert the court to its obligations under foundational law of Habeas Corpus, and that the trial should not lawfully proceed as notice was provided to the court by the American Fork District Court Clerk three days prior on June 24, 2022.

The Docket Shows Three Entries Regarding Destruction Of Evidence
Through "Non-Receipt"

Ruling Entry – Notice of Documents Not Received By the Judge: Christine Johnson dated May 6, 2022 Page 42 of 65 of the Court Docket states: “The court is in receipt of a filing from the defendant that was sent directly to Judge Johnson’s clerk. The defendant filed a document on April 22, 2022 titled NOTICE of Failure to Respond within 10 days RE: Three (3) GRAMA / FOIA requests. The court is not receiving these documents because the defendant has been appointed a public defender and should have all pleadings filed through the Utah County Public Defender’s office.” (Ibid) Note: this nonsensical ruling of "non-receipt" comes fourteen days after the admitted receipt of the documents.

Ruling Entry – Notice of Documents Not Received By the Judge: Christine Johnson dated May 6, 2022 Page 42 of 65 of the Court Docket states: “The court is in receipt of a filing from the defendant via the Provo Filing email address and a hard copy was dropped off at the courthouse. The defendant filed a document on May 5, 2022 titled Rebuttal *Affidavit* Declaration – We do not understand nor do we consent to these proceedings of a jurisdiction established foreign to us, of self-VOIDED Juris, acting in denial of Constitutional due process. The court is not receiving these documents because the defendant has been appointed a public defender and should have all pleadings filed through the Utah County Public Defender’s office.” (Ibid) Note: this second nonsensical ruling of "non-receipt" comes the next day after the admitted receipt of the documents.

Ruling Entry – Notice of Documents Not Received By the Judge: Christine Johnson dated June 1, 2022 Page 44 of 65 of the Court Docket states: “The court is in receipt of a filing by Community Support Foundation, Filed in behalf of an ad hoc group of Americans by: Jeff Besendorfer and Michael Bronson. The document was received by the court on May 24, 2022, titled ‘Motion To Be Admitted Brief Amicus Curiae Supporting Defendants as authorized by Amendment I to the Constitution.’ The court declines to receive these documents as they have been filed by parties not licensed with the Utah State Bar. The defendant has been appointed a

public defender and should have all pleadings filed through the Utah County Public Defender's office." (Ibid) Note: this third nonsensical ruling of "non-receipt" comes eight days after the admitted receipt of the documents.

The Docket Shows Compromised and Ineffective
Public Defender "Representation"

As noted on Page 1 of 65 of the Docket in Fourth District Court – Provo Utah for Case Number 201402860 as per the draft of the court docket on July 21, 2022, the Court Docket shows the Defendant Paul Kenneth Cromar is "**Represented by: Defender Public – Lisa Maxine Estrada.**" (Ibid)

At the hearing on January 20, 2022, "The defendant states that he/she has not entered a plea. Defendant is informed that the court is allowed to enter not guilty plea(s) on his/her behalf. Defendants objection is over ruled." (Ibid)

Ms. Estrada is "instructed [by Judge Christine Johnson] to help with any filings but does not need to be present at trial." (Ibid) The Court admits, on the record, instructing Ms. Estrada, from the bench, how to practice law. How can this *Abuse of Process* be considered uncompromised and effective public defense?

The Docket shows, "Defendant's Attorney(s) : Estrada, Lisa Maxine" is present at the final pretrial conference in Paragraph #1 Page 45 of 65 of the Court Docket on June 2 , 2022. At 12:08 [pm], "Ms. Estrada states her concerns going forward with trial." (Ibid)

At 12:16 [pm], "the Defendant speaks on his/her own behalf regarding counsel and being a vexatious litigant." (Ibid)

At 12:23 [pm], "... The court reminds the defendant that everything is on the record and does not need to be repeated at each hearing. The defendant is advised of his/her right to represent themselves or hire a licensed attorney to represent them. Ms. Estrada has been appointed to help with filings. Voir dire, jury instructions, exhibits and witness lists are due by 5:00 p.m. tomorrow." (Ibid)

At 12:28 [pm], "Ms. Estrada states her concerns going forward with trial." (Ibid)

At 12:34 [pm], "Ms. Estrada may file a petition for competency." (Ibid)

At 12:40 [pm], “The defendant objects to everything [that was said during the time that his microphone was turned off].” (Ibid) [See also Court Transcript for June 2, 2022, page 6, line 1] Note: Due to the COVID 19 Supreme Court imposed mandates, under-classed citizenry have been severed from participating fully in the lawfully required public judicial process, denied speedy and public trial (delayed one year and eight months), which also prevents full and unencumbered access to Utah courts.

At 12:45 [pm], “The objections are noted and overruled.” (Ibid)

Barbara and Ken Cromar’s multiple email and USPS certified return receipt attempts to communicate with Ms. Estrada received no response.

Docket entry of 6/6/2022 shows: "Filed: Utah Co. Public Defender Association Opposition to Courts Appointment of Counsel (Ibid) This filing was never received by Barbara and Ken Cromar. The Cromar’s online access to the court records show the folder market as ‘Utah Co. Public Defender Association Opposition to Courts Appointment of Counsel’ is empty and Cromars have received no service of this document.

It appears that the appointment of Ms. Estrada as Public Defender was intentionally done "Under Color of Law" to create the appearance of due process of law, while denying the fact thereof, and it would seem that the filing by the Utah Co. Public Defender’s Association’s Opposition to the Courts Appointment of Counsel was necessary to distance themselves from the Court's "Appointment" and Judge Johnson’s self-serving ruling. Clearly, as evidenced by Ms. Estrada’s concern about moving forward, which she called "a disaster" in the making, indicating that this case was in mistrial before it began. [See also Court Transcript for June 2, 2022, page 19, line 10]

Of great interest, a modern corollary, has just made national news on July 26, 2022, as commented on by a nationally renowned Constitutional expert: “Entirely predictable and entirely in violation of the Constitution. **The only provision of the Constitution, which appears basically twice, is trial by jury in and in front of a fair jury. Number one, he didn’t have a fair jury. Number two, the judge took his defenses away from him.**” (Alan Dershowitz Argues Steve Bannon’s Guilty Verdict Could Be Overturned - <https://resistthemainstream.org/alan-dershowitz-makes-promising-argument-on-steve-bannons-guilty-verdict>)

Nevada Statutes Instructive To This Request For Protection
From Johnson's Abuse Of Process

Nevada Revised Statutes Chapter 196 - Crimes Against the Sovereignty of this State

NRS 196.010 - Treason.

1. Treason against the people of the State consists in:
 - (a) Levying war against the people of the State;
 - (b) Adhering to its enemies; or
 - (c) Giving them aid and comfort.

2. Treason is a category B felony and is punishable by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 10 years.

3. A person must not be convicted for treason unless upon the testimony of two witnesses to the same overt act or by confession in open court.

[1911 C&P § 43; RL § 6308; NCL § 9992]—(NRS A 1967, 459; 1973, 1803; 1995, 1170)

NRS 196.020 - "Levying War" Defined.

To constitute levying war against the State an actual act of war must be committed. To conspire to levy war is not enough. When persons arise in insurrection with intent to prevent, in general, by force and intimidation, the execution of a statute of this state, or to force its repeal, they shall be guilty of levying war. But an endeavor, although by numbers and force of arms, to resist the execution of a law in a single instance, and for a private purpose, is not levying war.

[1911 C&P § 44; RL § 6309; NCL § 9993]

NRS 196.030 - Misprision of Treason.

A person who has knowledge of the commission of treason, who conceals the crime, and does not, as soon as may be, disclose the treason to the Governor or a justice of the Supreme Court or a judge of the Court of Appeals or the district court, is guilty of misprision of treason which is a category C felony and shall be punished as provided in NRS 193.130.

[1911 C&P § 45; RL § 6310; NCL § 9994]—(NRS A 1967, 460; 1979, 1417; 1995, 1170; 2013, 1763)

While the State of Utah has not yet Codified Crimes Against the Sovereignty of this State, Federal Title 18 U.S. Code § 2381 and § 2382 still applies:

18 U.S. Code § 2381 - Treason

Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States.

(June 25, 1948, ch. 645, 62 Stat. 807; Pub. L. 103–322, title XXXIII, § 330016(2)(J), Sept. 13, 1994, 108 Stat. 2148.)

18 U.S. Code § 2382 - Misprision of Treason

Whoever, owing allegiance to the United States and having knowledge of the commission of any treason against them, conceals and does not, as soon as may be, disclose and make known the same to the President or to some judge of the United States, or to the governor or to some judge or justice of a particular State, is guilty of misprision of treason and shall be fined under this title or imprisoned not more than seven years, or both.

(June 25, 1948, ch. 645, 62 Stat. 807; Pub. L. 103–322, title XXXIII, § 330016(1)(H), Sept. 13, 1994, 108 Stat. 2147.)

Federal Title 18 U.S. Code § 241 and 18 U.S. Code § 242 also apply:

18 U.S. Code § 241 - Conspiracy Against [Privileges, Immunities and] Rights

If two or more persons conspire to injure, oppress, threaten, or intimidate any person in any State, Territory, Commonwealth, Possession, or District in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same; or

If two or more persons go in disguise on the highway, or on the premises of another, with intent to prevent or hinder his free exercise or enjoyment of any right or privilege so secured—

They shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, they shall be fined under this title or imprisoned for any term of years or for life, or both, or may be sentenced to death.

(June 25, 1948, ch. 645, 62 Stat. 696; Pub. L. 90–284, title I, § 103(a), Apr. 11, 1968, 82 Stat. 75; Pub. L. 100–690, title VII, § 7018(a), (b)(1), Nov. 18, 1988, 102 Stat. 4396; Pub. 18 U.S. Code § 242 - Deprivation of Rights Under Color Of Law

REQUESTED RELIEF:

Justice and due process of law demands the following:

1. Provide injunctive relief through an Immediate Stay of All Proceedings until each of the Writs of Habeas Corpus can be answered and lawfully addressed.
2. Remove all Warrants and instruct the court (and Department of Corrections/AP&P) to cease and desist from punitive/prejudicial action.
3. Immediate recusal of judge Christine S. Johnson, Utah County Attorney David O. Leavitt, and Prosecutor Jared Perkins for financial conflicts of interest, as previously requested on the record of the court.
4. Restoration/acceptance of all filings by the Cromars, heretofore denied ("not received") or stricken from the court record.
5. Dismiss all charges and complaints against the Cromars with prejudice, along with full and immediate restoration of them to their home and property.

As noted, the Cromars, in the interest of justice, are seeking protection of this superior court from an inferior Provo judiciary that has gone off the rails in a destructive course of Abuse of Process and Wrongful Use of Judicial Authority designed to circumvent Three (3) Writs of Habeas Corpus in an attempt to justify a trial that should have never occurred, was in mistrial before it began, along with numerous attempts to deny the Cromars of due process of law.

Damages and Punitive Damages should also be awarded, along with sanctions, to insure that such renegade behavior is NOT permitted by this court.

Nancy & Amber,

We've received two emails notices of Bench Warrants for our arrest. There appears to have been a serious and dangerous error made here.

We do not understand why this has been done in that we've had contact with Cheyenne and Heather Henrie at AP&P and have communicated with there times and we have an understanding regarding the matter from many days ago. Did anyone there talk with Heather prior to making those orders? As you know, we are working on an "Extraordinary Writ" through the Utah Court of Appeals and are working through a lawful and honorable process.

This morning we also updated Mark Colby, who promised to send paperwork so we could work on the those details with our Counsel, in anticipation of the report that they say they must provide Madam Johnson by August 14, 5 days before "sentencing". Do you have a copy of the pre-sentencing evaluation report or other items you would like to send us to help expedite the matter? If so please send to the following email addresses:

KenCromar5@gmail.com
KenCromar@BlueMoonProd.com
barbaracromar@gmail.com

We are working within process and time frames. Therefore, in the meanwhile, we think it appropriate to respectfully require of this court the immediate removal of the Bench Warrants, so that we are NOT inappropriately arrested yet again.

Nancy, on a separate matter, I've been waiting for you to also provide the list of Webex viewers from the five trial days as we discussed. If you have sent it, I have not seen it, and am still anticipating that information a.s.a.p. please.

Lastly, we've been attempting to get transcripts from the trial and have been greatly delayed in the process reportedly because of the wait for "minutes", which they now have, but have found that getting a transcript is incredibly expensive and prohibitive for our family's resources. We are financially challenged to say the least. Are there alternatives? Can the court request a transcrip itself and put it on the docket record please? Any other recommendations please?

Look forward to your professional help in resolving these issues ASAP.

Respectfully,

Ken & Barbara Cromar

This matter comes before the court for day one of the jury trial. The matter is being recorded on FTR. Jurors 2, 21, and 44 did not appear today. The court authorizes an order to show cause to issue for the jurors that did not appear.

Jurors 10, 35, and 36 were excused.

Before beginning with the jurors, Mr. Cromar states that he filed a Writ of Habeas Corpus and this case should not be moving forward. He tries to provide a copy to the court. The court declines to accept the documents as Mr. and Mrs. Cromar have been provided access to a public defender to eFile documents. This wasn't filed through their office therefore the court will not accept it.

9:20 The court welcomes the jurors and gives opening and introductions.

9:32 The court leaves jury selection and has a discussion with Mr. Cromar.

9:33 The court resumes with the first 20 jurors. The court continues with voir dire questions.

9:55 The court is in a separate room for jury selection with Mr. Perkins and Mr. Cromar and the court goes through the first group of jurors to see who can be agreed upon to be released and who needs to be questioned. The jurors are brought in individually for questioning.

11:21 The jury clerk notifies the court that juror 21 was a few minutes late but the clerk forgot to notify the court. The court strikes the juror order to show cause for juror number 21.

Counsel previously reserved addressing juror number 3 and requests to strike him for cause. The court overrules the request and juror number 3 is passed.

11:23 The next group of jurors are brought in for voir dire, number 17 is included with this group because he had audio issues.

11:46 Individual voir dire is conducted.

12:42 The court reaches 16 jurors which is the number needed if no alternate is used. Mr. Perkins agrees to proceed without an alternate. The court resumes with all the jurors. Peremptory challenges are conducted. It is noted that Mr. Cromar was provided the challenge document each time after Mr. Perkins marked his peremptory but he declined to make any markings on the document. The first 8 jurors will be selected.

12:58 Juror 21 requests to speak with the court again and states that he has a scheduling conflict with Friday. The court recesses from the jurors and discusses the matter with Mr. Perkins and the Cromars. The parties agree to strike juror 21 for cause and just move to the next juror to be selected.

The court goes through the list of selected jurors. Mr. Perkins states he incorrectly put his first peremptory challenge on the wrong line and it should have been juror number 3 instead of juror number 2. The court makes the correction to the juror challenge document and verifies the jurors that are selected.

The jurors selected are jurors 4, 5, 12, 16, 20, 22, 25, 26. The remaining jurors are thanked and excused.

The clerk swears in the the jurors.

Juror 16 is having audio issues and he missed the oath. He provides his email address to the jury clerk. The clerk will email him the information for tomorrow so that he knows when to appear and where.

The court will have the oath administered again tomorrow. The jurors are excused.

1:09 Mr. Cromar addresses the court again regarding his emergency Writ of Habeas Corpus. The court has been in contact with the presiding judge who has been in contact with general counsel at the Administrative Office of the Courts and she has been told she may proceed. Mr. Cromar states other objections on the record.

1:12 Mr. Cromar addresses that he was not allowed to have his subpoenas issued when he came into the court on June 16, 2022. The clerk denied to accept and issue the subpoenas. Mr. Cromar states that he does not understand and they do not consent to these proceedings. Further discussion.
