The Alliance Has Never Lost Focus of it's Triple Primary Purpose:

- To rescue the scores of tortured and suffering children from the evils of Satanic Rituals.
- To punish those responsible for betraying the trust of its fellow world citizens.
- To liberate humanity, once and for all, from the sick, sadistic and twisted Elitists who seek the darkness of enslavement and destruction over the Light of Freedom and Divine Love.

Be decisive. Right or wrong, make a decision. The road is paved with flat squirrels who couldn't make a decision.

“Living in Thanksgiving Each Day”

[November 20, 2022 - #4862 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

It's easy for our prayers to become a list of requests, like we're putting in an order. What could happen if instead, we saw prayer as a chance to express thanks? Of course, the great God of the Universe wants to bless us, and He invites us to ask, seek and knock. Though, it's also true that one of the greatest blessings He offers is the peace and perspective that fill our souls when we live in thanksgiving each day.

Judy Note: The Deep State Central Banks were insolvent and expecting bank runs at any time. Meanwhile, as Alliance Military operations continued, children were still being rescued, DUMBS destroyed and Cabal Governments around the Globe, collapsing. One such instance recently took place in a remote area of Utah. It was reported that a Delta Force vs. Blackwater Military confrontation **from Thurs. 12 Jan. to Sat. 21 Jan. 2023** culminated in 259 Blackwater deaths. (See #D below).

A. Global Currency Reset:

Mon. 23 Jan. MarkZ: Redemption center folks have not been called in. They are on a 2 hour “on call” this weekend. There is still very positive chatter. Most of my banking contacts still believe it will happen by February first. Nobody knows the exact date except the handful of folks that pull the trigger. Do I still think January is possible? Absolutely. They have positioned the money and could pull the trigger at any time.

Mon. 23 Jan. Sheila:

- I hear a delegation from Iraq has been here a week to work on putting the (Dinar) rate live in the system. And we have been over there in Iraq working on the rate to go live

there as well. I hear the **rate will be live on the 29th**. There is now way they will have a live ISX Iraq stock exchange rate on the 29th without having a rate. You cannot trade on the NASDAQ with the ISX without having a rate. And that is the whole purpose of the delegation being over here.

- **I know each country will have their own transition** ...I know the Philippines has announced they have a new monetary policy. Each country is going through a transition and will have new money. A new rate. They are having these discussions openly if you watch foreign news...They make it very clear that they are transitioning to a new monetary policy with a new asset backed currency! It just happens that the US is last.
- **The month of January is a transition for us**. Even in foreign news articles I have seen them say “The US will transition from their old dollar to their new dollar as of Jan. 31st” They may announce it between now and the 31st to the people , but they have 60 days to transition over to that.
- **Fiat is a thing of the past**. Everybody’s money will transition. It’s in the banking system. It will convert over 1 to 1. Our announcement to our gold standard and asset backed dollar began at the UN building on 9/15.....Iraq’s started on 9/22 and Zimbabwe’s began on 9/23 when they announced it at the UN building. Once they make this announcement officially you have a period of time to get things in order from that moment. . If you go back and look up that event on 9/15 at the UN in New York City....you will see there was a whole host of security around that event for that purpose.
- **On 11/25 it was also announced in Switzerland that Nesara/Gesara was in effect**.....these things have legal time frames around them ...they don’t just happen overnight. Once it is implemented it could be a 30 day cycle or a 60 or 90 day cycle. It could be 120 days for Nesara?. Originally NESARA started and initiated on Sept. 17, 2019.This is not something that was overnight.
- **Everyone should know that the glitches going on at BOA** and things like the big layoffs at Goldman Sacs ...you are seeing a big transition in banks. A big transition to our future asset backed money. I am hearing it may take up to 8 years for the cycle to complete. And before we go to a completely virtual system. We will have cash in the new system and also digital access. . We all will have a learning curve to go through
- **How long have they been training Iraq** on this particular system? I think it’s been probably 3 years??? This has been going on for some time in Asia as well.The US is just the last one to do it.
- **I believe the EBS will happen after we get started exchanging**. Then the 10 days of disclosure.
- **Member:** My bank put up a sign saying they are going to a NEW system on February 3rd!! makes me warm and fuzzy.
- **MarkZ:** Stop worrying about if you will have time to turn in your current fiat bills. We will have plenty of time.....I am told that once it starts....ideally they would like to keep

it to 30 days to get them all out of circulation. But I was told it will be more like 90 days. Coins will still be usable. You do not have to exchange your coinage.

D. Delta Force vs. Blackwater Military confrontation in Utah from Thurs. 12 Jan. to Sat. 21 Jan. 2023 culminated in 259 Blackwater (Academie) deaths. Tom Fairbanks, Founder of Community Support Foundation.

- **On Monday January 9th** SCOTUS decided not to hear the case Brunson vs Adams et al, which prompted my reply to comments that "The Game Was NOT Over, but rather it was only half time."
- **On Tuesday January 10th** I was notified that Monday was a "Shatter Point" for the Constitution and that a large military action was now under way, although I was told not to say anything about it at that time. It has occurred to me since then that the military was waiting for a catalyst to intervene. I believe that this has now happened.
- **Since then, we were notified** that the airlines had been grounded, due to a "malfunction," but at the same time there were 52-58 military refuelers in the air supporting an untold amount of other military aircraft with destinations unknown. These groundings of aircraft we later learned were in 3 different countries.
- **We also had a report that General Berger** had gone missing, who has since been located and returned from his captors, who interrogated, tortured, and abused him. His captors are now lifeless.
- **In Salt Lake and Utah Counties** in the State of Utah, the Department of Child and Family Services (DCFS) in conjunction with the courts have appeared to be relentless in an over reach to violate parental rights and placing children in harmful situations and/or physically removing children from their parents and homes. Long time professional has commented that "they have never seen this type of behavior in their 40+ year careers." One individual who spoke with me said that DCFS appears to be desperate in their attempts to generate a source of income.
- **The investigations of Satanic Ritual Abuse in Utah, Juab, and San Pete Counties** surrounding David O. Leavitt and David Hamblin continue at a record pace in revealing numerous abusive events and victims, which together illustrates the enormity of the problems along with the efforts of those in authority to cover it up here in the State of Utah.
- **On Thursday, January 12th,** **my military liaison informed me** that he had been attacked by a seven-man team of paramilitary types, while pursuing a personal assignment connected to both of us. The attempted ambush did not go well for these would-be attackers, each of whom was neutralized. A nearby Commander of a Delta Force Team was dispatched for recovery and cleanup efforts. Their report showed that the attackers were member of an elite force known as "XE" or "Academy" - formerly known as "Blackwater." – Sort of make you wonder just how it is that a bunch of

nobodies from the State of Utah can be so important to have Blackwater after them?
What's up with that?

- **This incident was very troubling to all of us**, as very few individuals knew of the personal assignment. Realizing that there was a mole in our midst, a ruse was created to draw out those involved in our intelligence breach. The Delta force commander soon reported that they had shriveled conversations of the mole (the security leak) and the organization who had hired "Blackwater."
- **On Thursday January 19th**, my military liaison confirmed through the Commander that the intel I had received earlier from a confidential source was correct. On Wednesday **January 18th**, I had been informed that someone from the US Attorney General Office was in Logan, Utah meeting with the County Attorney's Office. Given the past performance of Attorney General Merrick Garland's behavior, it was clear to us that the US Attorney's Office seems to be more interested in covering up intel rather than exposing it. – Once again, what does little old Logan, and the State Utah have to do will all that is going on in this nation?
- **Continuing with the ruse, it was announced that my military liaison would be returning to complete the personal assignment on Saturday January 21st.** What was not revealed, however, was the Commander of the Delta Force had agreed to provide backup surveillance and protection, which included the use of (4) Apache helicopters with thermal imaging systems. About three hours before reaching the designated location, my military liaison contacted me to report that the Commander of the Delta force had reported that a 52 member "Blackwater" team was lying in wait for his arrival. The Commander had also reported that the entire threat had been eliminated! (Body count 59)
- **A few hours later**, my military liaison arrived at his destination, along with his dogs, and was told by two low level flunkies that he was not allowed to enter the area because there were military maneuvers taking place in that area. Returning to his car, he contacted the Commander and was informed that there was now a 200 member "Blackwater" team in the area. Sometime later, I received another call informing me that Delta Force had declared WAR on "Blackwater," and then stated that the Commander had ordered the use of an A10 Warhog to neutralize the entire area. (Total body count – approx. 259)
- **It should be clearly evident** by now that somehow the State of Utah lies at the heart of these military actions and that THERE is SOMETHING that SOMEONE is trying to PROTECT/HIDE or TO OBTAIN right here in sleepy little old Utah. Do you think its time to wake up? **“Where there is smoke, there is fire! Nothing Can Stop What Is Coming! (NCSWIC) – WhoYa”**

 - Saline for children (saving their lives)
 - Under cover agents
- **One of the most egregious mentions** is that one of those thousands who used their services, turned on them. Imagine if your family was hiding Jews from the Nazis in WWII and someone in your own family turned you in to the [Gestapo](#). That’s what happened here.

G. Jan. 22 2023: Thoughts on FRN's, USN's and NEER “Catch-22 Currencies”

Danboon <https://dinarchronicles.com/2023/01/22/catch-22-currencies-by-danboon-1-22-23/> What is the dilemma we are getting into with the Federal Reserve Notes being removed yet in the mean time NO United States Notes are made available?

- **Posted; “Sheila: it is very public knowledge** that banks have new printed Treasury notes in their vaults. This is tier 1 banks only...that I know of.....it could be more now but at the particular moment I heard it- it was tier 1 banks only.”
- **The Catch-22 is exchanging all these Notes with-in 2-5 days** with about 200,000,000 people trying to do it at ten percent of the banks and credit unions in business right now, and that is where the FRNs cannot be used and the USTNs are still not available for transactions, and therefore the ‘digital bank card’ is the only thing we are to be using. Is this the Motto of 2023: “NO CASH! Go Digital!”?

- **According to the NESARA Law** we are to have one full year to exchange, 365 days, however maybe the White Hats got the info that there was way too many of the FRNs out there with the bad guys and the best way to make sure of those peoples' losses are just to have just a few days coming up to exchange them all, like for normal We The People being able with the fewer amounts. Most likely the bad guys' fraudulent debts will NOT be Cleared.
- **Maybe during these few days** suitcases and briefcases of stored up FRNs will be accepted for exchange on the basis of your QFS account is to be going to you and will be opened, thus your ID and other verifiable info is required. And for the capture of the criminals trying to make these exchanges there will be much more security/police at the ready.
- **Now is it that only the top Tier 1 banks** will have the New USTNs and if you do not bank there too bad for you, you cannot exchange? I live in a small town with about 1,700 people and the nearest city with banks and food stores is 25 miles away with 25,000 people and they have one Bank of America, one Wells Fargo ATM and 5 federal credit unions thus the nearest walk-in Tier 1 bank is over 100 miles away. Or is this where you can only go to a Tier 1 bank to open your QFS account?
- **And by the way I will give \$10,000 of USTNs** to anyone who can show me any printed 2021 Federal Reserve Note, not a 2017 one printed in 2021, with the Biden Administration officers' names on it. That would be a collector's item and also be fraudulent. ...Danlboon

H. CIA Mind Control Tortuous Experiments on Children – Part 4

1973

In 1973 after hearing that Congress decided to look into the matter of CIA Mind Control experiments, CIA Director Helms ordered all MKULTRA records destroyed and the CIA Mind-control program was supposedly permanently halted.

1975

In 1975 I was Supervisor over Children Services for Alberta Canada Mental Health. "For four hours I witnessed patient after patient lined up down the hall on gurneys awaiting ECT in the mental health ward of the local Lethbridge Alberta Canada government hospital. Even though I was a supervisor of mental health I was told by my administrator that because it was so difficult to obtain permission for me to observe the ward, I was not to talk to staff or patients, nor obtain any information on what they were doing. No one talked to me for the four hours I was there. It was especially disconcerting to me because I had recently moved there from Utah where ECT had been outlawed because there was no way to judge if the so-called "therapy" would produce permanent damage to the brain."

1975 US Army Mind-control with Electrodes

A file released by the US Army dated 22 August 1975 shows how patients were used as guinea pigs for mind control studies. Electrodes were inserted into parts of their brains, ostensibly because "it could help to heal them." P. 151

1976 Senator Church uncovers MKULTRA records

During a Congressional investigation in 1976 the Senate Intelligence Committee Chairman Senator Frank Church uncovered some MKULTRA records. Church said the CIA was “a rogue elephant” operating above the law as it plotted assassinations, illegally spied on thousands of Americans and drugged citizens in its effort to develop new weapons for its covert arsenal.”

1976 Final Report of the Senate Select Committee to Study Governmental Operations with respect to Intelligence Activities, S. Rep. No. 94-755, 94th Cong., 2d Sess. Book I, at 385-86 (1976).

CIA officials, such as the Deputy Director for Science and Technology Carl E. Duckett admitted at U.S. Senate hearings that the CIA unwitting drug tests were “wrong.” The Senate Intelligence Committee concluded that compartmentalization was used in the MKULTRA Program to conceal the “unethical and illicit activities” by the CIA. “Few people, even within the agencies, knew of the programs and there is no evidence that either the executive branch or Congress were ever informed of them. The highly compartmented nature of these programs may be explained in part by an observation made by the CIA Inspector General that, “the knowledge that the Agency is engaging in unethical and illicit activities would have serious repercussions....”

1977 16,000 pages of MKULTRA financial records found

In 1977 through the Freedom of Information Act, John Marks requested and found 16,000 pages of MKULTRA financial documents.

page 374: CIA first worked with Nazi official Claus Barbie in 1947. He came to the US several times. In 1949 there were public claims by Nazi victims that Barbie used torture in interrogation techniques, but Army officials continued to protect Barbie.

1977 August 3 Senate Hearing: MKULTRA Administrator Testifies

In 1977, an important MKULTRA administrator was taken before a Senate hearing to answer questions about CIA mind-control projects. He revealed that the CIA had indeed funded a series of such operations. The programs were code named MKULTRA, MKACTION, MKNAOMI, ARTICHOKE and BLUEBIRD, which involved people being used as guinea pigs in mind experiments. Many subjects lost their sanity and at least two people died.

1977

Congress voted not to publish results of the Pike Committee Investigations on the CIA MKULTRA mind-control program.

Complaint filed December 11, 1980 against the CIA under the Tort Claims Act. 8

<http://www.radix.net/~jcturner/anat-1.html>

A million dollars was awarded nine Canadian victims in the successful litigation against the CIA, Dr. D. Ewen Cameron and US and Canadian governments for brainwashing experiments in the late 1950s and early 1960s at the Allan Memorial Institute at McGill University psychiatric hospital in Montreal.

1983, 1984

The professional organizations of the International Society for the Study of Trauma and Dissociation (ISSTD www.isst-d.org) and the International Society for Traumatic Stress Studies (ISTSS www.istss.org) were formed to create treatment modalities for hundreds of Dissociate Identity Disorder and mind-control clients knocking on their doors. Survivors claimed that as children they were forced to participate in government mind-control experiments and Satanic Ritual Abuse in satanic covens.

1985 CIA v. Sims, 471 U.S. 181 U.S. 159.

Chief Justice Burger Protects CIA MKULTRA “intelligence sources”

Declassified MKULTRA documents such as grant proposals, contracts and names of institutions and individuals who performed research in the CIA mind-control programs were made available to the public under the Freedom of Information Act. Requests for the documents were delayed or not honored.

CIA vs. Sims was filed and the CIA fought release of documents to the Supreme Court. On April 16 1985 Chief Justice Burger of the United States Court of Appeals delivered the opinion of the Court in favor of the CIA saying that the “intelligence sources” who were guaranteed confidentiality at the time of these CIA funded research projects would continue to remain protected and classified.

1988

On Feb. 8 1988 MKULTRA victim Cathy O’Brien was rescued from her mind-control enslavement by Intelligence insider Mark Phillips.

On February 8 1988, a MKULTRA victim, Cathy O’Brien, was rescued from her mind control

enslavement by Intelligence insider Mark Phillips. She had been a victim of the CIA covert government program MKULTRA Project Monarch operation – used from child pornography to serve as a top-level intelligence agent and White House sex slave.

1988 MKULTRA mind-control victim Linda MacDonald wins class action suit against the CIA and President of the American and World Psychiatric Associations Dr. Ewen Cameron.

In 1963 Linda MacDonald was a victim of Dr. Ewen Cameron's [13][14][15][16] destructive mind control experiments. Dr. Cameron was president of the American and World Psychiatric Associations.

He used a "treatment" which involved intensive application of these brainwashing techniques; drug disinhibition, prolonged sleep and prolonged psychological isolation. These were combined with ECT [Electro Convulsive Therapy]. [17][18][19]

The amount of electricity introduced into Linda's brain exceeded by 76.5 times the maximum amount recommended. Dr. Cameron's technique resulted in permanent and complete amnesia.

A class action suit against the CIA for Dr. Cameron's MKULTRA experiments was settled out of court for \$750,000, divided among eight plaintiffs in 1988.

J. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

L. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

M. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
