Grandpa Tom Harper's Creed

I will begin each day with a prayer.

I will treat my body as a Temple of God.

I will appreciate and enjoy life's blessings.

I will live by faith, not fear.

I will laugh every day.

I will think the best of others.

I will practice the Golden Rule.

I will bring happiness to some poor unfortunate person.

I will return good for evil.

I will harbor no resentments.

I will meet situations as they come.

I will leave the future to God.

Judy Note: At a young age I carefully planned out my financial future: I would obtain a higher education, good job and raise a family without financial worries. Boy, was I naive.

Like many, I ended up having my share of financial challenges and looked forward to the Global Currency Reset when I would finally have a life filled with financial freedom. Of course, I had spent a lot of energy planning out the implementation of my Humanitarian Project, but as this time drew closer to receiving notification for the actual exchange/redemption appointment, I found my mind wandering into dreams of a nicer home and trips to far off places. I was drifting

away from completely dedicating myself to helping others, while feeling that the money was what would lead me to a life filled with complete happiness – until yesterday when I found a copy of my grandfather's Creed as shown above.

After my grandpa Tom Harper passed to the other side we found the Creed among his personal affects, handwritten on faded paper. I realized it was a formula for Happiness – for finding the good in the world and expanding on it – for never giving up, no matter the challenge.

Grandpa was a God loving, happy and humble farmer who immigrated to America in his teens. He could write a beautiful script in the lost art of Old English Handwriting, was an accomplished musician, singer and dedicated worker who as a teen, worked hard enough to earn enough money to pay in full for a few acreages near Lava Hot Springs Idaho. There he built practically by himself, his own home and established a chicken and egg farm that fed the grocery store in town.

At the Lava Hot Springs First Ward and throughout his entire adult life, he was the pianist and chorister, plus brought Sunday School lessons to the Lava Hot Springs Old Folks home. Later in life he grew to be much older than those he taught in the home. You see, Grandpa never gave up on putting himself in a place where he could serve others.

He fell in love and married three times. His first two wives died during childbirth, so he just worked on finding another to take her place. You see, Grandpa never gave up on seeking and finding, happiness.

He never had money to spare for Christmas presents, so each year and in turn, just one of his six children received a handmade gift – months in the making. My mother's was a beautiful Cedar Chest made out of the oak of shipping crates that carried equipment to the farm. You see no matter the challenge, Grandpa never gave up on being able to provide for his family.

For two weeks in the Summer when I was in grade school my sister and I visited him on his farm. There he whistled songs to his animals as he worked, dawn to dusk. He had a cow named Bossy, who would turn from grazing in the pasture to his whistle at the gate, the other cows following her lead to be milked.

Like myself and many, he had his share of financial problems – most not of his doing. When his bank closed shut without warning, confiscating his meager savings along the way, he just kept on paying his tithing to the Church and saving more. No matter the debt he had, that 10% of his earnings went to Heavenly Father. That was God's money, and if he didn't mess with it, his debts would be taken care of. And, it was. When he died he had no debt, though that was only because Grandpa never gave up on paying his obligations.

By the time his eldest grandson Rulon was called to serve on a mission for the Church to grandpa's hometown of Lancashire England, he had saved enough to help cover Rulon's two years there. He was excited that Rulon could share the true Gospel of Christ with those of his old home town. Unfortunately, Rulon died in a car accident before completing his mission. So, Grandpa put the money into an organ for the Church. There the money could produce music to inspire people. You see, Grandpa never gave up on serving others.

Money was not important to Grandpa. Being a good person was. He believed that when it was all over, those good memories were all that you could take with you to the other side. He must have taken a whole lot of good memories to the other side because my whistling Grandpa was never one to give up on searching for, and finding true happiness.

B. Attention: Scam Artist on Telegram Re: Mission 4 Complete! We will release the MED BEDS at 11:30 AM EST 2 Jan. 2023 on @HSRetouher17, @CBKNEWS & @JFKRed channels on Telegram. ‘Q Bugs’ was a victim of the above channels who emailed me to report, “These channels and others are fake channels from Phil Godlewski. He impersonates people of standing to get a following and says anything to get attention drawn to his channels where he scams people either Trump Bucks, checks, coins, etc. My brother and I were scammed big time. I was able to get most of my money back but my brother lost several thousand dollars because the bank refused to process his return and after 30 days, said it was too late. The med beds were not announced yesterday – it was a scam and a lie. If people want to know what other channels Phil is scamming people on, Dischlopes on Telegram exposes ALL of them. I. The Brunson Brothers Petition hearing at the Supreme Court was set for this Fri. 6 Jan.

- **The Brunson Petition** concerns the question, “Did Congress honor their oath to protect the Constitution when a foreign entity tried to change the vote in the 2020 Election?” There were exactly 100 Congress people who filed Fraud Complaints surrounding the 2020 Election, but Congress refused to investigate before they certified the Election. According to Rule 11 that was considered Treason. A positive ruling on the Brunson case could take down the Biden Administration and all of Congress.

- **Another Sample Letter:** To The Honorable Nine Supreme Court Justices:

It is our prayer that you will rule in favor of Brunson vs. Adams et al Case 22-380 that requests Congress people uphold their oath of office to support our beloved Constitution.

According to Rule 11, that oath included investigating possible intervention in Elections by foreign entities. In this case it was a suspected interference by the Chinese Communist Party in the 2020 Election.

By ignoring 100 officially registered complaints of possible Election Fraud before certifying the 2020 Election, Congress failed to protect The People and sanctity of our sacred votes in not only the 2020 Election, but this Congressional failure to act cast doubts for the integrity of both past and future Elections.

Elected officials who ignore their oath to support our beloved Constitution should be held accountable and do not deserve to hold office.

- **Write Attention** to the “Nine Supreme Court Justices”
Express support of Brunson vs Alma S Adams et al, No: 22-380.
Sign your name, date it and make a copy.
Send the Original in a stamped envelope addressed to: Supreme Court of the United States, 1 First Street, NE, Washington, DC 20543.
Put the copy (and \$1 to say thanks and help in the fight) and send in a stamped envelope to Loy & Raland Brunson, 4287 South Harrison Blvd. #132, Ogden, Utah 84403.
- **Your effort would not be in vain.** Both the Supreme Court and the Brunsons were registering the letters – well over 50,000 received so far.

J. What’s Happening With SCOTUS?

- **The same Supreme Court Chief Justice Roberts** who sought out the Brunson Brother’s Case flipped turncoat in 2019 and was forced to play a part in future Alliance Plans as shown when Roe vs Wade was overturned. This was a crucial development and warning to the Deep State that SCOTUS was under control of the Alliance.
- **In 2020 after the stolen elections**, it was still too early for SCOTUS to go after Election corruption and foreign interference that was a National Security Threat to the U.S. The Alliance told SCOTUS to wait till after the Deep State collapse began, the FBI came into the Kill Box, the Biden family came under investigation for human trafficking, after Twitter Files dropped, Biden destroyed the US Economy and inflation. This would lead

to millions and millions of US Citizens turning on the Democratic Party and Congress would reclaim the House.

- **Only till these EVENTS happened** would the GREEN LIGHT be given to SCOTUS to go after the ELECTION FRAUD that is CONNECTED to a NATIONAL SECURITY THREAT involving FOREIGN INTERFERENCE, TREASON and a MILITARY COUP AGAINST DONALD J. TRUMP.
- **The walls were closing in on Biden**, Obama, Clintons, FBI, CIA and all the Rockefeller Regime. They know the Supreme Court sought out the Brunson case and the Military Operations were coming closer.
- **To avoid the SCOTUS case** on the fraudulent 2020 Election being a National Security Threat, the Deep State planned a major world crisis.
- **Musk has exposed** through Twitter, corruption in the CIA, Pentagon, FBI and Bidens.
- **Congress was now going after** Facebook, Google and Microsoft as they were heavily infiltrated by Deep State Agencies.
- **MUSK holds MAJOR evidence** that is currently suppressed. It was known in Intelligence Agencies that inside leaks held a trove of information that would hit the public domain with top Whistleblowers in the Pentagon, CIA, FBI and DOJ.
- **The powerful onslaught of hundreds of stories** to drop cannot be covered up by the Mainstream Media. They will be forced to report.
- **The MSM will soon come into the Killbox of Election** interference and cover up while they took direction from the CIA, FBI and DOJ. Congress was looking to go after the MSM in 2023.
- **As SCOTUS and Congress** go after Biden and the FBI, plus Musk exposes all through Twitter, a massive storm will surface of Election Fraud, Plandemic Vaccines, Crypto money laundering operations and collapse of the monetary system.
- **This was a masterful plan** designed for the Cabal to trap themselves inside their evil game. The People need to see the Near Death Civilization Event so they can wake up.
- More Events to hit: Hollywood and Crypto.

M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with

the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
