**RE: You are hereby served the attached PUBLIC NOTICE, DECLARATIONS, MANDATES, AND LAWFUL PROTEST, with explanation demonstrating why your immediate action is required by law.**

Mr. Rettig,

Our lives have been all but destroyed by false-swearing and fraud upon the court committed against us by the IRS and DOJ attorneys, who have trespassed and damaged us. Your immediate action is required.

*We*, Paul-Kenneth: Cromar, a living man, and Barbara-Ann: Cromar, a living woman on the land of a place known as Cedar Hills, Utah, sole Executors to *our* estates of the same name, have had our lives, reputation and property all but destroyed by a long train of abuses by judges and officers of various state courts, and federal courts under the “Department of Justice”, “law enforcement” officers, and various government officials who until a recent breakthrough described below have dispensed denial of our God-given, un-a-lien-able rights, including but not limited to **injustice, false arrest & imprisonment, harm, damage and injuries**. The enclosed **PUBLIC NOTICE, DECLARATIONS, MANDATES, AND LAWFUL PROTEST** is hereby served, with some explanation, as follows:

We, barbara & ken, despite being recently exonerated in US Tax Court, continue to suffer the effects of IRS / DOJ attorneys who filed a fraudulent civil action via a civil “Complaint” in

US District Court (Salt Lake City) in **UNITED STATES OF AMERICA vs. CROMARS et all** (case # 2:17-cv-01223-RJS – over 48 months now) falsely claiming that we “owe \$1,053,028.65” in “unpaid federal income taxes”, which we have ever maintained and we never owed, the truth of which is now proven by US Tax Court’s Chief Judge Maurice B. Foley’s October 20, 2021 **ORDER OF DISMISSAL FOR LACK OF JURISDICTION**. (see Exhibit C – US Tax Court case # 15701-21) This ORDER now provides *Us*, Barbara and Ken, and a candid world, and to *You*, Mr. Rettig, admission by you as Commissioner of the IRS with absolute proof of *our* complete vindication of all IRS claims and related charges throughout 15 trickle-down cases related to the Res Defendants “PAUL KENNETH CROMAR” and “BARBARA ANN CROMAR”, vindicating us for a 31 year period from 1990 through 2020. We “*Barbie and Ken*” are now **Exonerated!** (see previously referenced case #2:17-cv-01223-RJS – **SIXTH JUDICIAL NOTICE: EXONERATION** of all IRS Claims Against Cromars from 1990-2020 by US Tax Court / Washington D.C. / Chief Judge Maurice B. Foley’s ORDER For Dismissal For Lack of Jurisdiction - Docket #155.)

*We*, Paul-Kenneth: Cromar, and Barbara-Ann: Cromar, a living and breathing man and woman, found to be living by a jury of our peers, of age, competent to manage our affairs, husband and wife, upon the land, and the sole lawful Heirs and Executors of the estates for the copyrighted and trademarked undersigned names, hereby provide *You*, flesh-and-blood Mr. Charles P. Rettig this **PUBLIC NOTICE, DECLARATIONS, MANDATES, AND LAWFUL PROTEST**, in part for the reasons explained herein.

My wife Barbara & I, Ken, have had almost everything of value stolen, discarded and/or compromised when we were hit by an unlawful June 25, 2019 U.S. Marshal SWAT of 13 or more, and again a second time after returning to *our* home, where were hit with a quasi-military “75-man SWAT” team without lawful warrants, and arrested on September 24, 2020. (Question: Isn’t it impossible to “burglarize” your own home?)

We’ve suffered incalculable harm and damage, including but not limited to our home/property stolen from *our* control without our God-given rights to Constitutionally

secured *due process* and *trial*, all our possessions in our home trashed in 7 or more large dumpsters, and *our* “papers and effects” (including but not limited to PC, computer drives, etc.) necessary to make a living and defend ourselves in court were stolen (in violation of 4<sup>th</sup> & 6<sup>th</sup> Amendment rights), falsely arrested without warrants, charged with felonies including “burglary” of *our own home!*, had evidence withheld from *Us*, put out on the street, made homeless and beholden to survival by kind friends and neighbors, and without tools of my trade to make a living when film production equipment stolen (I am a 30+ year professional Producer / Director / Writer), *we* remain threatened life and limb, and face 1-15 years for a felonies we did not commit, all suffered through 48 months of court battles where we, without legal sophistication or expensive BAR attorneys have attempted to defend ourselves *sui juris, in personam*, through fifteen (15) cases. We hope you never have to suffer what we have been through, however, we remind you that an ominous fate may await those who, in the face of exculpatory information, commit *misprision of felony*, in violation of their oath. Please do not make that mistake for which you, Mr. Rettig, the man, could be held personally liable. These two videos may help to better understand a portion of the tyrannical abuse we continue to suffer.

During *our* traumatizing 48+-month long ordeal wherein *our* family’s **lives and limbs** were unlawfully threatened and terrorized and ironically given “restraining orders”, we have crossed paths with an estimated 200 government officials of various titles and services, who obtained their paid public positions only after taking a solemn oath to protect the Constitution of the united States of America and the Utah Constitution. Most notably, our own Utah County Sheriff Mike Smith, who was supposed to act as a last line of defense between us and tyrannical government officials, failed *Us!* Sheriff Smith ignored multiple pleas for his help, ignored multiple “no trespassing” and “NOTICE of Land Patent #392” and “\$250,000 Fee

per trespass” plus “\$10,000 for law enforcement” signs, (noticed via Certified mailings and emails), Trespassed and/or caused, aided and/or abetted trespassed while leading a “75-man SWAT” made up of “multi-jurisdictional law enforcement agencies”. Therefore, recently Sheriff Smith received an INVOICE for \$11,180,000.00. (See attached **Exhibit A - 2021 09 09 - NOTICE INVOICE TRESPASS \$11.18M - Sheriff Smith Utah County Sheriff Department** documenting our numerous postings on the property and County Record, USPS Certified mailings, and sworn statements with photos, etc.) We also suspect and allege attempted murder and/or compromise of health and/or tracking of **us** via the forced “COVID testing” invasive deep nasal swabbing, tracking and poisoning process placing dangerous foreign antigens (toxins, viruses, nanotech, etc.) when Sheriff Smith’s deputies booked us into the Utah County Jail September 24, 2020. Additionally, a second attempt of murder by “COVID test” may have been made with a second unlawful and fraudulent warrant, false arrest, and incarceration of me, **Paul**, on September 26, 2020. (see page 10, item #7 of the Public Notice, Declarations, Mandates and Lawful Protest)

Against all odds, we’ve finally obtained a measure of justice through our lawsuit against the Commissioner of the IRS in United States Tax Court in Washington, DC where Barbara and I, in separate cases both won! On October 20, 2021, the US Tax Court Chief Judge Maurice B. Foley entered his opinion in my case (#15701-21) with his ORDER TO DISMISS FOR LACK OF JURISDICTION over me by the IRS from 1990 through 2021. **That’s 31 straight years of 100% complete exoneration!** This means that ALL of the trespasses, considerable harm and damage done to us by IRS claims, the courts, and numerous government officials since 1990 to present have been outside of the Law, and is hence actionable against those who acted outside of the Law. (see details provided in FOURTH & SIXTH JUDICIAL NOTICES filed in Chief Judge Robert J. Shelby’s original fatally flawed US District Court case #2:17-cv-01223-RJS, dockets #153 and #155 – Salt Lake City, Utah.)

You, Mr. Rettig, the living and breathing man, who sometimes acts as the head of the Internal Revenue Service (IRS), an agency within the United States Department of the Treasury, have been and are currently in a position of significance to help rectify and remedy the wrongs, and immediately assist us in being RESTORED to our home and property, for

reasons explained hereafter, for which you enjoy NO “judicial immunity” or “immunity” of any kind when acting outside your oath of office – which is your contract with We the People. *You*, Mr. Rettig, You are hereby requested and required to keep your solemn oath to the Constitution for the United States, by protecting and rectifying the trespasses and damage as identified herein, and serve as a lawful “whistleblower” in service to the People if necessary.

Mr. Mike Smith  
Utah County Sheriff Department  
75 E 80 N, #101  
American Fork UT 84003

**RE: \*Affidavit\* - NOTICE OF INVOICE FOR TRESPASS for \$11,180,000.00 for Utah County Sheriff Department's participation in unlawful SWAT on September 24, 2021– as per “NO TRESPASSING SIGN POSTING NOTICE” sent Certified Mail, and well-marked signage at property line and postings on doors -- at \$260,000 per offending deputy.**

Sheriff Smith,

I, Paul-Kenneth: Cromar, the sole heir of the Estate by the same name, having a jury of my peers declared me “found to be living” (not a dead CORPORATE fiction in all CAPS), as the lawful sole Executor for the copyrighted and trademarked undersigned name, hereby provide *You*, Sheriff Mike Smith this **NOTICE OF INVOICE FOR TRESPASS** on lawfully LAND PATENT protected property by numerous Utah County Sheriff officers, in part for some of the reasons provided hereafter.

“The Cromars are lying tax cheats that didn’t pay their federal income taxes. They deserve whatever happens to them,” has been heard regularly. Maybe you’ve heard or said it yourself? Recently this claim has been proven 100% false, as our lawsuit against the Commissioner of the IRS has vindicated and exonerated us as they’ve declared to have no lawful claim against the Cromars from 1990 through 2020. This means *EVERYTHING* that has been done to us over the last few years has been based in fraud upon the court, just as we said, including the great harm, damage and threat to life and limb done to us by you Sheriff Smith and your misguided deputies under your direction. The Supreme Court established that it is impossible for a laws, court orders, raids, expenditures, or any action, etc., which violates the Constitution to be valid.

**“All laws [court orders, mandates, etc.] which are repugnant to the Constitution are null and void.”** (Marbury vs. Madison, 5 US (2 Cranch) 137, 174, 176, (1803)

For this reason, under your leadership as the elected Sheriff, now the Utah County Sheriff Department will be held accountable financially for 43 unlawful Trespasses *by your officers*.

First, I must tell you that our family has always had the highest respect for those who put on the uniform to defend us in the military and those “in Blue” (including of course Sheriffs, AFPD, Utah Highway Patrol, and National Guard, etc.) who serve to “protect and defend” me and my family. We know we can sleep more peacefully because there are those like you willing to stand between our family against the “bad guys”. We are grateful and will continue to pray for all “*in uniform*” who understand and honorably keep their oath of office.

As a film producer / director, I’ve interviewed many Vets from various military conflicts all over the world, and even traveled into dangerous places (desert of Kuwait) to interview soldiers from Utah coming off the battlefield of the most dangerous place at the time in Iraq – Ar Ramadi. I’ve raised my family to believe that “Blue Lives” matter too. The ANTIFA-types (*anti-police, anti-sheriff subversives backed by dark money*) are trying to destroy local law enforcement and your independence – so they can systematically destroy our entire nation city by city, county by county, and state by state. We NEED you to SUCCEED. Note our Facebook post of June 17, 2020 – “Policeman - By. Paul Harvey (Tribute to our Police Officers)”...

<https://www.youtube.com/watch?v=KQ1YsyZMaaU>

There are too few today who understand the importance of GOOD, independent, honorable, Constitutionally well-educated law enforcement – or will stand more boldly for your success and independence than me and my family. Sincerely, we thank you!

THEREFORE, this is why it gives me no pleasure in giving the UTAH COUNTY SHERIFF DEPARTMENT this NOTICE of TRESPASS and INVOICE for its part in denying us our rights, the protection of our home & property, while simultaneously endangering each of our family and friends’ “life and limb”. As you know, those of us who love the Constitution count on the county sheriff as the last line of defense between us and tyrannical government, to arrest anyone of any jurisdiction to protect the People of their county – even if it be corrupt judges, federal agency or law enforcement entities including the EPA or FBI if necessary. This is why my family has been particularly disappointed in your apparent trust in other “law enforcement” agency officials or advice of government entities with agendas that could be in conflict with the People in your county.

We believe that the rank and file of the Utah County Sheriff Department are mostly honest, hard-working individuals, trying to protect and serve the People. We considered legal action against each and every individual officer and/or the PUBLIC NOTICE, invoice and/or lawsuit, because we recognize that EVERY person that takes an oath of office must be held accountable to understand that oath. However, we

determined that those of greatest culpability and accountability must be their leaders. This of course means you, as the elected Sheriff particularly. So, while we have been harmed, damaged, and suffered much because of the unlawful actions against us by each and every one of your officers that day, we believe the best way to help the UTAH COUNTY SHERIFF DEPARTMENT, is to invoice the entire department, as lawfully noticed and agreed, and as detailed hereafter and in the attached INVOICE.

As you know, you received the April 22, 2020, **NO TRESPASSING SIGN POSTING NOTICE** via USPS Certified Return Receipt # 7019 2280 0000 3206 4570 on April 29, 2020 at 12:10 pm advising the Utah County Sheriff Dept. of amongst other things, of the following...

**REVOCATION OF IMPLIED LICENSE**

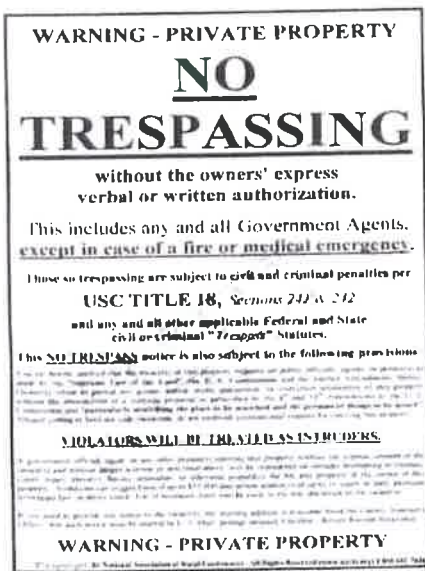

Further, the owners, or legal occupants of this property, by authority granted under 10th Circuit Case 6:13-CR-00006-RAW-2 (2016), hereby **REVOKE** the "Implied License" in *Beard v. Alexandria* 341 U. S. 622 (1951) and *Florida v. Jardines* 133 S. CT 1409 (2013), including revoking "knock and talk" and all other "Implied License" provisions in said cases.

You are hereby notified that the owner(s) of this property requires all public officials, agents, law enforcement, or any other person or persons to abide by the "Supreme Law of the Land", the U. S. Constitution and the ratified Amendments thereto. Said owner(s) expect any government agent to uphold their oath of office in good faith to preserve, protect and defend the Constitution of the United States. Owner(s) refuse to permit any access, search, audit, assessment, or inspection whatsoever of this property without the presentation of a warrant, prepared as prescribed by the 4<sup>th</sup> and 14<sup>th</sup> Amendments to the U. S. Constitution and "particularly describing the place to be searched and the persons or things to be seized". Alleged zoning, land use code, or environmental protection violations, do not establish constitutional reasons for entering this property. Property rights supersede state law under the Constitution Supremacy secured Life, Liberty & Property.

**BE ADVISED: THE RIGHT TO EXCLUDE ANYONE, EVEN GOVERNMENT, OR LAW ENFORCEMENT, IS AN INVOLATE, CONSTITUTIONAL, RIGHT, SET IN LAW, TO-WIT:**

*"A property owner's right to exclude extends to private individuals as well as the government" See United States v. Lyons 992 F.2d 1029, 1031 (10th Cir. 1993) "The intruder who enters clothed in the robes of authority in broad daylight commits no less an invasion of [property] rights than if he sneaks in the night wearing a burglar's mask" Hendler v. United States, 952 F.2d 1364, 1375 (Fed. Cir. 1991).*

Additionally, the following signs were posted at our property and on doors.

CE of INVOICE UT CO Sheriff- #PKC221-0911bUTSheriffHouseTrespass.B

However, despite this lawful notice and posted warnings of \$10,000 per trespass for law enforcement plus \$250,000 per trespass, and evidence and knowledge of our lawful, unchallenged “Land Patent #392 – part and parcel thereof” as recorded on the Utah County Record, on September 24, 2020, in what your Public Relations liaison

Spencer Cannon described as a “multi-jurisdictional 75-man SWAT” team was unleashed to remove us from our home & property for “over \$1,000,000 in unpaid federal income taxes”. The words “alleged”, or “tried and convicted” or “trial verdict” were never said on any video we saw, thus contributing to the misinformation, slander and defamation now proven by the admissions of the Commissioner of the IRS. Collecting on this Invoice will do little to restore our reputation and honor now that the gossip fabricated by so-called “law enforcement” has already circulated dramatically far and wide.

Despite a lawful GRAMA requesting the names of all Utah County Sheriff Department officers involved on or near the home and property, either trespassing or aiding and abetting trespass on the well-marked property line, on September 24, 2020, we were refused a list of names or badge numbers based on recommendation of prosecutor Jared Perkins in its “ongoing investigation”. Therefore, we are left to estimate a total of 43 offending officers from your UTAH COUNTY SHERIFF DEPARTMENT corporation. These deputies left whatever jurisdiction they were on, and without permission unlawfully trespassed onto our jurisdiction. Our jurisdiction is lawfully foreign to yours via a contract with the

United States government in an Act of Congress that was signed by then President Grover Cleveland on February 26, 1887, to the “heirs and assigns forever”, a contract we accepted on the Utah County Record, which predates and is an allodial, pure, and SUPERIOR title to any and all other claims. Therefore, you as the Sheriff of the Utah County Sheriff Department are hereby NOTICED and subject to the penalties and fees we require in this itemized INVOICE hereafter. (Note: An “abstract” is by definition inferior and uncertain – hence the need for title insurance.) The power and superiority of LAND PATENTS is backed by 180 years of UNANIMOUS Supreme Court opinions (no split decisions), is now “settled law”, and can only be challenged by the Attorney General of the United States or his designee. Could this explain why so many courts and officers of the courts, including federal and state judges and US DOJ attorneys may have snookered you and used you to run cover for, and give credibility to their dirty deeds? And you fell for it! Why were you so willing to go along with BIG officials, at the expense of Law 101 that requires due process, hearing and trial that would’ve protected “Barbie and Ken” and their home, life, liberty and property. (see 6<sup>th</sup> & 7<sup>th</sup> Amendments) So, now you and the Utah County Sheriff’s Department will be held accountable herein. And surely you must consider yourself lucky we weren’t “accidentally” killed in the process?

Regardless, based on the GRAMA records provided by AFPD coupled with Spencer Cannon’s “75-man” team public comment, the total number of officers trespassing, or aiding and abetting the trespass adds up to **43 Utah County Sheriff Department offending officers and/or supervisor/administrators**, at a total cost of :

$$43 \text{ officers} \times \$260,000 \text{ (at } \$10,000 + \$250,000 \text{ per officer)} = \$11,880,000.00$$

**This must be paid in full within 30 days.** This Invoice would have been provided sooner had your Deputies protected our “papers and effects” rights as requested by Barbara during the SWAT, rather than violate our Amendment IV rights. It has taken months to find resources for new PCs and to recreate as much as possible our “papers and effects” in order to defend ourselves through 15 total cases. (Note: Adjustments can be made to INVOICE upon complete disclosure of all agencies’ personnel. Please verify involvement by Utah National Guard? Pleasant Grove PD? Springville PD? FBI? Homeland Security? Other agencies?)

By now, you may be aware that as a result of our recent lawsuits against the Commissioner of the IRS in the US Tax Court in Washington DC on April 1, 2021 – and that the Office of General Counsel for the Commissioner of the IRS has filed a **MOTION TO DISMISS FOR LACK OF JURISDICTION** (see case #3063-21 – with Ken’s exact same case and likely result soon to follow in # 15701-21) – thereby the IRS has admitted it had **NO jurisdiction** over the Cromars from **1990 through 2020**. This means that everything that has been done to us by

the US District Court's corrupt Chief Judge Robert J. Shelby, and all the other trickle-down courts cases (15 total), including the false felony charges have been a gross and wicked miscarriage of justice and theft – which the UTAH COUNTY SHERIFF DEPARTMENT aided and abetted. (Note: Isn't it impossible to burglarize your own home, right?) It's important to note that we've never threatened anyone. We've never harmed anyone. We've never been convicted of anything. Ever.

---

Sheriff Smith, I will never forget how I contacted you early on and told you that there was a chance that a US District Court judge, despite never allowing us a hearing or trial, may have US Marshals may attempt to unlawfully remove us from our home, and that we had removed all weapons from our home as we did not want to be a victim of any "US Marshal accidents". You had promised that you would let us know if and when any eviction attempts would be enforced. You did not do so. You endangered us. You also did not return any of our numerous calls during the US Marshal raid of June 25, 2019, when we were forcibly removed from our house.

Why did you break your word? Do you remember late the next day the 26th when you finally called back saying, "Well, I'm returning your call Mr. Cromar." To which I replied, "Yes Sheriff, but a day and a half too late." Sheriff Mike Smith, of all the people who have failed us in protecting our God-given, unalienable rights under the Constitution(s) as sworn to protect and defend, – it's you! and Chief Robert J. Shelby. You two have caused the most harm, damage, threat to life and limb, and terrorization of me and my family. You were supposed to protect us and our rights under Amendment VI and Amendment VII. Both of you failed. Instead you Sheriff were complicit, aided and abetted trespass, theft, burglary, threat to life and limb. Rather than follow your Constitutional Oath, you instead "followed orders" (corrupt judges) in the face of clear violations of Law 101 requiring proper hearing and trial. (6<sup>th</sup> & 7<sup>th</sup> Amendments violations) And to think you and I met only once when you were running for office at a GOP campaign primary event in Alpine, but never since your election victory. You never came to talk with me. Sadly, based on our experience, you clearly proved you were not up to the job, nor capable of understanding or keeping your oath of office. And in the case of the corrupt federal Chief Judge Robert J. Shelby, despite our Motions, we've never seen his face, heard his voice, nor been allowed into his court. How can such gross injustice, theft, fraud on the court, and threat to our lives and limbs, be done so distant and impersonal on the People being attacked and victimized so personally? It's not like we've been hiding. We proactively approached you for help many times mostly through emails, and even tried to set up a meeting with Sheriff Richard Mack (President of the Constitutional Sheriffs and Peace Officers Association [www.CSPOA.org](http://www.CSPOA.org)) who was willing to come up from Arizona to help mediate, without success. Remember? Here's one of our many efforts to help you succeed:

...“1. Did you notice how he [US Attorney] acknowledges **there has been no Hearing?** This is HUGE. That alone is **ALL you [Sheriff Smith] need to know** as it relates to our Constitutional rights having been violated and their apparent desire to take advantage of you.

“Paper filings have never replaced an actual Hearing, they’ve only served to prepare for one. If the Cromars are just “crazy tax cheats”, that is something that the Prosecutor must prove in court — and should be very happy to do so, right? ... The judge simply ignored our Motion for Hearing. You might want to ask yourself why?

“— Please ASK your US Attorney contact to provide **legal evidence** of how a case of any significance can have NO Hearing and still be considered “due process”?

“ (He can’t and won’t because it not lawful to deny us our day in court. Everyone knows that.)” [highlighting as per original email]

Sheriff Smith, the only thing you ever had to know is that we had NEVER had a hearing in Chief Judge Shelby’s court. That fact alone was your signal to tell the U.S. Marshals:

“You’re right to check in with me as the highest law enforcement official in this county. Thanks, but I will not allow prosecution of any Orders from Chief Judge Shelby’s court in Utah County, until the Cromars have been given meaningful *due process* through hearings, facing their accusers, cross-examining witnesses, and a trial by a jury of their peers. No sir. Not in my County.”

That’s simple Law 101. Everyone should know that, especially the Sheriff. Due process did *not* happen with Shelby and it certainly didn’t happen with “Judge” Powell’s kangaroo, pretended (*except to deceive you*) “hearing” on September 2, 2020. Your power as our Sheriff is beyond dispute. You were in a position to stop the insanity we’ve been subjected to now for over 3.5 years. But you didn’t. It was particularly painful when you explained how the Marshals had called you on their way over to raid our house. So Sheriff, why didn’t you show up as promised? How was that supposed to protect us? Aren’t you as a county Sheriff supposed to exercise your supreme law enforcement power to step between *the People* and tyrannical oath-breaking government officials whether they be federal, state or even in your own county?

And now our Church in an unsigned, unidentified letter has threatened us with “trespass, arrest and prosecution” if we simply attend Sacrament Meeting to sit on the back row, providing no explanation as to “why”. (see attached copy) I’m assuming you and AFPD were alerted? Do you know why? As a great, great, great grandson of Brigham Young, sealed to Joseph Smith on the records of the Church, having served a mission to Japan, having three sons serve missions, a lifetime “temple worthy” member, having Produced/ Directed and Written many video productions for the Church of Jesus Christ of Latter-day Saints (Mormons), having interviewed many General Authorities including Gordon B. Hinckley and then Elder Russell M. Nelson, and consider ourselves “defenders of the faith” (The Restoration) — **we are deeply saddened and**

**distressed.** Can't work for the Church anymore, right? We want you to know that we have had little success in getting anyone to explain why, and so we are going "up line" to seek written explanation, or an official retraction of this libelous letter, filled with innuendo. Sheriff Smith, can you see how one man's denial of our rights (Shelby – have you wiki-ed his most notable case?) has been so wicked and unjust, and how YOU could have courageously stood up to defend the *People* (our Cromar family) until due process hearings, trial and justice was served?

Barbara and I can only guess as to the why you thought it more important to trust others or want to be seen favorably by famous or important officials, rather than protect the most humble and simple of the People in your county. No doubt you got a lot of attention, resources, praise, and encouragement for you and your big, bright and promising career. Did you think to ask yourself WHY they've treated you so well? Maybe some day you'll explain yourself to us. In the meanwhile, and we intend to collect this lawful INVOICE born out of the Utah County Sheriff department's officers willful and fully informed trespass (and/or aided and abetted trespass) on onto our lawful, superior, allodial, pure titled LAND PATENT #392 property. (Note, we have NOT abandoned our property/home or stopped paying home insurance, we just prefer to not be shot, killed or imprisoned without cause, always preferring our battles in the courts, corrupt as they've been proven to be through 15 court cases.) You should be interested to know of our VICTORY in the US Tax Court – Washington DC – when the Commissioner of the IRS made a Motion to Dismiss for Lack of [I.R.S.] Jurisdiction over the Cromars from 1990 through 2020. (see attachment) Everything that has been done to us has been unlawful, much of it done with your help. It will take time to help the courts unravel "chief judge" Shelby's original "poison tree" mess, but **we are now finally vindicated**. As you know, our nation is in trouble (riots, Covid mania, election illegalities, Afghanistan withdrawal debacle, and other treason).

"If America is destroyed it may be by Americans who salute the flag, sing the national anthem, march in patriot parades, cheer Fourth of July speakers – normally good Americans, but Americans who fail to comprehend what is required to keep our country strong and free, Americans who have lulled away into a false security.

*"Great nations are never conquered from outside unless they are rotten inside. Our greatest national problem today is erosion, not the erosion of the soil but erosion of the national morality – erosion of traditional enforcement of law and order."*

("An Enemy Hath Done This" – by Ezra Taft Benson – pg 6.)

How can our nation and freedom be preserved? One county at a time, starting with the Utah County Sheriff Department. Clearly, it is a dangerous thing to have well-meaning, but under-educated people swear an Oath to "protect and defend" the Constitution of the US and Utah, when they very likely have never read the documents, let alone understood them. That's on you. **The result is that my family has been harmed and damaged in many ways by many people.** Through our ordeal we have come in contact with, or been affected by, somewhere near 200 government employed "oath-breakers". Utah County Sheriffs Department, ACPD, and others were reportedly spotted in area including two Utah National Guardsmen, and possibly

other agencies. The only thing that *We*, the Cromar family has ever needed is **just one “oath keeper”** to recognize that we NEVER had a Hearing on our being “tax cheats”, let alone a Trial by Jury to face our deceitful IRS “accusers”, and step in between *Us* and those dangerous, and often mindless powers of government which have all but ruined our lives, honor, stolen our home and its contents, endangered *Us*, and destroyed our ability to make a living. In that you took the oath, it should have been you Sheriff Smith to come to our rescue. You failed us. But it’s not too late. You can still stop “the bleeding”, stand up for our rights, and turn this around. That would take some courage. We’ll keep praying for you and your family.

In the meanwhile, our family still SEEKS just ONE honorable Oath-Keeper somewhere who will protect “Barbie and Ken” and our daughter Liberty “Lib”, three humble folks of ***We the People*** until we can obtain our right to *due process* under The Law and JUSTICE – but more importantly, in the meanwhile be seen as INNOCENT until proven guilty, and we should be RESTORED to our home in the meanwhile. We believe it should be you Sheriff escorting us back into our home, with (43 + 1) Sheriff vehicles, sirens blaring, and handing us the INVOICE payment check as we are led back into our home, as that would be the beginning of Justice! Am I wrong? Do you work for a for-profit corporation Sheriff Smith, or for *We the People*? As our paid servant you owed *Us* and all the *People* of American Fork and Cedar Hills, much better leadership, understanding and training of your officers. Please find attached a copy of **The Sheriffs Handbook** which may provide some of the needed Constitutional perspective regarding a Sheriff’s oath and jurisdiction.

The payment of the attached INVOICE for trespassing and/or aiding and abetting of trespass, can never hope to properly compensate us for harm and damage done to us by the unlawful terroristic action committed by Utah County Sheriff Department. It is no accident this NOTICE and INVOICE is drafted on “9-11” a day we remember those who suffered and died at hands of terrorists. My daughter Liberty “Lib” was so traumatized by the abuse of “law enforcement” we’ve suffered that she said that even when we retain our home, she said she could never go back thanks in part to you. How would you feel if this abuse happened to you, your wife and children Sheriff Smith?

No one is above the law, including law enforcement officers. The Utah County Sheriff Department has inflicted irreparable harm and damage to our good names, our reputations, our lives, liberties and property, and threatened our lives and limbs through false arrest and false imprisonment, and to this day continue to threaten 1 to 15 years imprisonment of my wife Barbara and I, for alleged felonies we did NOT commit. We’ll battle on until all 15 cases align and resolve themselves within The Law of the land as found in the US and Utah Constitutions.

**Title 18 USC sec 242 – Deprivation of Right Under Color of Law**

THE UNITED STATES  
DEPARTMENT *of* JUSTICE

EXHIBIT B

## DEPRIVATION OF RIGHTS UNDER COLOR OF LAW

### SUMMARY:

- Section 242 of Title 18 makes it a crime for a person acting under color of any law to willfully deprive a person of a right or privilege protected by the Constitution or laws of the United States. For the purpose of Section 242, acts under "color of law" include acts not only done by federal, state, or local officials within their lawful authority, but also acts done beyond the bounds of that official's lawful authority, if the acts are done while the official is purporting to or pretending to act in the performance of his/her official duties. Persons acting under color of law within the meaning of this statute include police officers, prison guards and other law enforcement officials, as well as judges, care providers in public health facilities, and others who are acting as public officials. It is not necessary that the crime be motivated by animus toward the race, color, religion, sex, handicap, familial status or national origin of the victim. The offense is punishable by a range of imprisonment up to a life term, or the death penalty, depending upon the circumstances of the crime, and the resulting injury, if any.

### TITLE 18, U.S.C., SECTION 242

- *Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, ... shall be fined under this title or imprisoned not more than one year, or both; and if bodily injury results from the acts committed in violation of this section or if such acts include the use, attempted use, or threatened use of a dangerous weapon, explosives, or fire, shall be fined under this title or imprisoned not more than ten years, or both; and if death results from the acts committed in violation of this section or if such acts include kidnaping or an attempt to kidnap, aggravated sexual abuse, or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title, or imprisoned for any term of years or for life, or both, or may be sentenced to death.*

US Tax Court's Chief Judge Maurice B. Foley's October 20, 2021  
**ORDER OF DISMISSAL FOR LACK OF JURISDICTION** in US Tax Court case # 15701-21, as  
vindication of all IRS claims against the Cromars for 31 year period from 1990 through 2020.

United States Tax Court  
Washington, DC 20217

Paul Kenneth Cromar  
Petitioner

v.

Commissioner of Internal Revenue  
Respondent

Docket No. 15701-21

**ORDER OF DISMISSAL FOR LACK OF JURISDICTION**

This case is before the Court on respondent's motion to dismiss for lack of jurisdiction, filed September 9, 2021, on the grounds that: (1) no notices of deficiency or other notices of determination was issued to petitioner for taxable years 1991 through 1995, 1998, and 2006 through 2020, that would permit petitioner to invoke the Court's jurisdiction in this case; and (2) no notices of deficiency or notices of determination concerning collection action was issued in such time for taxable years 1996 through 1997, and 1999 through 2005, that would permit petitioner to invoke the Court's jurisdiction in this case. In his motion, respondent further requests that the Court warn petitioner it may impose an I.R.C. section 6673 penalty. That section authorizes the Court to require a taxpayer to pay to the United States a penalty not in excess of \$25,000 whenever it appears that proceedings have been instituted or maintained by the taxpayer(s) primarily for delay or that the position of the taxpayer(s) in such proceeding is frivolous or groundless.

On October 15, 2021, petitioner filed his objection to respondent's motion. Petitioner essentially does not object to the dismissal of the case upon the grounds stated in respondent's motion.

Taking into account statements made in the petition, statements made in petitioner's objection, and for reasons set forth in respondent's motion, it is

ORDERED that so much of respondent's motion that seeks dismissal of the case is granted. It is further

ORDERED that with respect to each year placed in issue in the petition, this case is dismissed for lack of jurisdiction upon the ground stated in respondent's motion.

Although an I.R.C. section 6673 penalty will not be imposed here, petitioner is admonished that the Court will consider imposing such a penalty in future cases commenced by petitioner seeking similar relief under similar circumstances.

15. **Paul-Kenneth: and Barbara-Ann: Cromar**, does hereby further state, assert and aver the following facts:

- a. It is well established the Hague Regulations and Geneva Convention IV specifically protect the original jurisdiction from encroachment upon internationally protected individuals.
- b. Furthermore, it is well established under public policy that citations, legislations, prescriptions and other comprise a cloak to disguise collateral undertaking in U.S. Funds. All

such offers want for authority under original organic State Constitutions pursuant to which they are forbidden and can **never be duly enacted**.

c. The U.S. a/k/a the **United States is defined as a federal corporation** at Title 28 USC 3002(15)A.

d. The United States is bankrupt pursuant to *Perry v. United States*, 294 US 330-381 (1935); 79 L. Ed 912.

e. United States is an obligor/grantor to the Federal Reserve Bank pursuant to the Federal Reserve Bank Act of December 23, 1913, 38 Stat 265, Ch. 6.

f. The said Federal Reserve Bank Act comprises a contractual granting by Congress to the Federal Reserve Bank of a paramount and enduring (ex-warrant 1913-1933) lien on the assets of the United States and all parties who would use bank notes issued by the Federal Reserve Bank pursuant to 38 Stat 265, Ch. 6 p266-267.

g. The Congress of the United States, by authority of the Gold Bullion Coin Act of 1985, PL 99-185, December 17, 1985, 99 Stat 1177 has decreed its intention that all Americans can no longer be forced into an obligor/grantor status in relation to said Federal Reserve Bank Notes.

h. The Constitution for the united States of America, 1787, Article 1, Section 4, Clause 2 (1856) states that Congress shall assemble at least once in every year, which shall be the first Monday of December. Notwithstanding, Amendment XX, Section 2 (1933) states: "The Congress shall assemble at least once in every year, and that such meeting shall begin at noon on the third day of January, unless they by law appoint a different day."

16. **The Constitution cannot be in conflict with itself. The *de jure* legislature of the united States of America identified as "Congress" in the aforementioned Article 1, Section 4, Clause 2 (1856) adjourned "*sine die*" in 1861.** Evidence of its reconvening in the absence of a congressional quorum has not been exhibited by the United States. The national legislative body discernible in Amendment XX, Section 2 first appeared in 1863 by executive resolution as a department of the Executive Branch of government pursuant to "Emergency War Powers." This *de facto* "Congress" was conceived and continues to sit at the pleasure of the president of the corporate *ens legis* UNITED STATES.

17. **The *de jure* private people who, by their inherent character *in rerum natura*, are foreign to and wholly without the corporate *ens legis* United States** are not subject to the actions, acts and whims of the *ens legis* Congress of the corporate UNITED STATES. **Accordingly, living Men *in rerum natura* are not subject to the Federal Reserve Bank Act of December 23, 1913 which wants for force and effect of law in the Original Republic.**

18. Disclosure of the facts and frauds stated herein has been denied to **Paul-Kenneth: and Barbara-Ann: Cromar**, in their rightful capacity as sole Heirs and Executors of the Paul-Kenneth: Cromar and/or Barbara-Ann: Cromar estates within the Original Republic by an extraordinary and persistent policy of covin, conspiracy, and collusion constructed and condoned by the UNITED STATES Congress, Amendment XX, the Federal Reserve Bank/System, and contractors, agents, assigns, successors, heirs, representatives, obligors and grantors thereof. This deceitful plan to control the wealth of the world and orchestrate the power there of, has been implemented upon each person, one at time, at

moment of physical birth from their mother's womb, the child is identified, named and numbered in a way so as to secretly access the anticipated value of person's ever-growing estate/inheritance, by conspirator Trustees de son tort, fraudulently administering and profiting thereby while pretending to "presume and assume" that the child must be "lost at sea" and "presumed dead", until such time as the rightful Heir should "return" and claim his or her inheritance when he or she is proven "found to be living" and "of age" (25 or older). In the meanwhile, those countless estates are secretly administered and stolen from via "*parens patrae*" (designed by Satan the "father of fraud") without disclosure or accounting to the rightful kings and queens, princes and princesses to the Most High God of their Divine heritage, purpose and vast inheritance.

19. It is well settled in law that "no right, by ratification or other means, can arise out of fraud." Fraud vitiates everything it touches. There exists no lawful statute of limitation on fraud.

20. By this PUBLIC NOTICE, DECLARATIONS AND LAWFUL PROTEST, the following addendum is attached by reference herein in its entirety to any and all Federal Reserve Notes, public policy instruments, and documents regardless of kind arising from or relating to the Federal Reserve Bank/System which are held, received or used by **Paul-Kenneth: and Barbara-Ann: Cromar**, now and in perpetuity:

**"The use of this instrument/conveyance by Paul-Kenneth: and Barbara-Ann: Cromar, is of necessity only and under Lawful Protest, *nunc pro tunc* to December 23, 1913, in the absence of a reasonable alternative."**

21. **The labor of Paul-Kenneth: and Barbara-Ann: Cromar, is measured and valued *quantum meruit* exclusively in gold and silver coin.** As the value of such labor is tangible, it cannot be measured by any instrument which serves as evidence of debt, notwithstanding that the operational currency of the corporate UNITED STATES consists exclusively of instruments noted thereon to be evidence of liability.

22. **Paul-Kenneth: and Barbara-Ann: Cromar, hereby expressly states Their intention to pay, extinguish and satisfy all of Their obligations and make all parties whole.** Accordingly, **Paul-Kenneth: and Barbara-Ann: Cromar**, specifically disavows the use of "discharge" as a fraudulent transaction which implies payment but serves to covertly transfer the debts of **Paul-Kenneth: and Barbara-Ann: Cromar**, to other parties contrary to **Paul-Kenneth: and Barbara-Ann: Cromar**, deeply held Scriptural beliefs under God regarding theft and deceit.

23. **Paul-Kenneth: and Barbara-Ann: Cromar, is not now and has never been a United States Citizen under the Fourteenth and Sixteenth Amendments of the *ens legis* Constitution for the corporate UNITED STATES, notwithstanding any failures to properly pass the said amendments into law.**

24. **Paul-Kenneth: and Barbara-Ann: Cromar, has the absolute unalienable Divine right to keep and bear arms** of any kind for protection of Self, family, and neighbors, by their own will and this DECLARATION.

25. **Paul-Kenneth: and Barbara-Ann: Cromar, has the absolute unalienable Divine right to move and travel upon all public roadways** in America, of whatever kind and nature, in whatever mode or carriage of transportation He may choose, without license or permission or any other infringement of that right, by Their own will and this DECLARATION.

26. In addition to all of the above, **Paul-Kenneth: and Barbara-Ann: Cromar**, retains all of the Rights as enumerated and protected by the constitutions, bills of rights, and ordinance pursuant to the Original Republic.

## LAWFUL PROTEST

1. The formation of any institutional, bifurcated, public, *cestui que* trust in violation of the copyright of **Paul-Kenneth: and Barbara-Ann: Cromar**, previously declared herein, or any corporation's **claim thereto or compromise thereof**.
2. Any allegation or presumption that **Paul-Kenneth: and Barbara-Ann: Cromar**, have consented expressly or tacitly to being a Citizen pursuant to the Fourteenth and/or Sixteenth Amendment of the *ens legis* Constitution of the UNITED STATES.

4. The forced involuntary use of U.S. funds such as Federal Reserve Bank/System notes, commercial liability instruments and electronic liability transactions as part of a scheme to compel the principals to impart artificial commodity value to the liability evidenced thereon, on the authority of *MacLeod v. Hoover*, (June 22, 1925) No. 26395, S. Ct. Louisiana; 105 S. Rep. 305, that court citing *U.S. Bank v. Bank of Georgia*, 23 U.S. 333, 10 Wheat, 333, 6 L. Ed. 34.
5. Any presumption that **Paul-Kenneth: and Barbara-Ann: Cromar**, have volunteered to be a debtor in possession of Federal Reserve Notes with expectation of a quid pro quo; a guarantor/surety/co-surety on the lien created by the Federal Reserve Bank Act of December 23, 1913; a party to any confidence game, scheme, forced or *cestui que* use whereby paper wanting inherent value is placed into circulation by the Federal Reserve Banks in lieu of Constitutionally required gold or silver; a party to the failure of public officials and Federal Reserve principals to provide full disclosure of the liabilities and perils of using private scrip, instruments of debt, corporate U. S. obligations, and Federal Reserve Notes as inauthentic replacements for lawful money.
6. Any presumption that **Paul-Kenneth: and Barbara-Ann: Cromar**, have at any time expressed or implied a promise to guarantee the debt hypothecated by the said Federal Reserve Act, the private debt of the corporate UNITED STATES, or any obligations of the Federal Reserve Banks, agents, contractors, assigns, successors, heirs and grantors thereof, now and in perpetuity.

8. Any attempt to induce **Paul-Kenneth: and Barbara-Ann: Cromar**, to act as a tort feasor to the Constitution for the united States of America, anno Domini 1787, where at Article 1, Section 10, it states “No State shall . . . emit bills of credit; make anything but Gold and Silver Coin a tender in payment of debts,” all such offers being refused for fraud.

9. Pursuant to the Original Grant of Depositum for Bailment via the 1896 Constitution of Utah, **Paul-Kenneth: and Barbara-Ann: Cromar**, make Lawful Protest against, abjures, denounces, refuses, takes exception and does not assent to the calculated use of legal fictions to undermine and convert the political Will of the People on the free soil of the organic country known as Utah into a legislative democracy that transforms the free People into subjects of the municipal law of foreigners within the geographical exterior boundary of Utah and contrary to the Northwest Ordinance and the original Grant of the People, September 17, 1787, anno Domini, as amended 1791, anno Domini.

## MANDATES

### IT IS HEREBY EXPRESSLY MANDATED TO IMMEDIATELY:

1. Over the past 3.5 years we have suffered and continue to suffer of the damaging effects of multiple trickle-down cases of injustice (the fruit born of Chief Judge Robert J. Shelby’s original “poison tree” – (see US District Court in Salt Lake City case 2:17-cv-01223-RJS), under the alleged but NEVER proven claim by the IRS that we owe “\$1,053,028.65” for unpaid federal income tax, which allegation has grown with “*penalties and interest*”. Mr. Shelby NEVER allowed us our God-given, un-a-lien-able rights to a Hearing before him, proper *due process*, let alone the required Trial by Jury, where we could face and cross-examine our accusers. An obvious injustice. In *Our* effort obtain Justice, numerous cases (15 to date) have resulted, including Utah Fourth District Court state judge Christine S. Johnson (see criminal cases 201402860 & 201402868) wherein *We* are charged with 2 felonies including “burglary of a dwelling” (*isn’t it impossible to burglarize your own home?!), we now have discovered absolute proof of our INNOCENCE and need for public exoneration and RESTORATION of Us to our home and property! April 1, 2021, ken & barbara, each filed lawsuits against the Commissioner of the IRS, filed in US TAX COURT, Washington DC. The “Respondent” Commissioner of the IRS, through his Office of General Counsel for the Commissioner of the IRS, now admit having had NO claim over Us for federal income tax liabilities from 1990 through 2020:*

“6. Therefore, respondent moves that this case be dismissed for lack of jurisdiction as to taxable years 1990 through 2020 upon the ground that no statutory notice of deficiency, as authorized by I.R.C. sec. 6212 and required by the I.R.C. sec 5213(a) to form the basis for a petition to the this Court, has been sent to the petitioner with respect to taxable years 1990 through 2020 nor has respondent made any other determination with respect to the petitioner’s taxable years 1990 through 2020 that would confer jurisdiction on this Court.” (see US Tax Court case #3036-21 – Commissioner of IRS’s **Motion to Dismiss for Lack of Jurisdiction** – over us for the last 31 years!)

On October 20, 2021, Paul Kenneth: Cromar's case #15701-21 suit against the Commissioner of Internal Revenue enjoyed a virtually identical result, with US Tax Court (Washington DC) Chief Judge Maurice B. Foley's ORDER OF DISMISSAL FOR LACK OF JURISDICTION also admitting no lawful claim over him for the same 31 years. A certified copy of the ORDER is available in **UNITED STATES OF AMERICA vs. CROMARS et all** (case # 2:17-cv-01223-RJS entitled **SIXTH JUDICIAL NOTICE: EXONERATION of all IRS Claims Against Cromars from 1990-2020 by US Tax Court / Washington D.C. / Chief Judge Maurice B. Foley's ORDER For Dismissal For Lack of Jurisdiction - Docket #155.**)

THEREFORE, this proves that virtually EVERYTHING that the IRS and its deceitful minion agents, colluding courts, judges, prosecutors and various government employees in Utah County Recorder clerks, Utah County Sheriff Mike Smith, numerous Utah County Sheriff Deputies with American Fork Police Department, and at least two Utah National Guardsmen, and possibly others including US Marshals(?), to form a "multi-agency", quasi-military "75-man SWAT" team that trespassed our fully marked Land Patented property on September 24, 2021, was done UNLAWFULLY under *color of law*, in gross judicial malfeasance(treason?). And it all began with one willful, wicked, deceitful, unjust Chief Judge of the United States District Court (SLC) in a Robert J. Shelby, who denied us Justice, remains in dishonor for attempted Fraud and Swindle, and is hereby MANDATED to immediately accept that this case is VOID AND VACATED in all orders and judgments, and IN THE INTEREST OF JUSTICE, **ORDER US RESTORED TO OUR HOME AND PROPERTY POST HASTE.**

2. **RETURN THE DEPOSITUM FOR BAILMENT to Paul-Kenneth: and Barbara-Ann: Cromar**, in their capacity as descendent by blood of the original Bailor/Grantor/Settlor and their endowment to warrant same by Almighty God, pursuant to the terms, conditions, stipulations, exceptions and reservations contained within the Original Grant.

3. **ACKNOWLEDGEMENT, RECOGNITION AND RETURN BY THE BAILEE OF THE SAID DEPOSITUM OF BAILMENT to Paul-Kenneth: and Barbara-Ann: Cromar**, as repository trustee for the Original public Trust.

4. **EXHIBIT THE AUTHORITY** whereby **Paul-Kenneth: and Barbara-Ann: Cromar**, can be compelled, forced or enticed to falsely act as a tort feisor to Article 1, Section 10, Clause 1 of the Original Grant against their will by using the aforementioned fictional bank notes within a scheme of discharge disguised as payment. Ct. 142, 144, 85 A.L.R. 128. “The fact that the means employed to effect the fraudulent conveyance was the judgment of a court and not a voluntary transfer does not remove the taint of illegality,” *First National Bank v. Flershem*, 290 US 504, 78 L. Ed. 465. “... it is obvious that the fraud did not occur in open court nor in that sense enter into the decrees under attack, hence the fraud of which we complain was not susceptible to insulation. In the language of *Shapiro v Wilgus*, 287 US 348, 77 L. Ed 355. It was part and parcel to a scheme whereby the form of a judicial remedy was to supply a protective cover for a fraudulent design.” Also, *Steelman*, *supra* *Flersham*, *supra*, *Braun*, *supra*., “That in the absence of an adversary trial or decision the distinction between extrinsic and intrinsic fraud becomes immaterial and made clear by the following from the *Throckmorton* opinion,” 98 US 61, 65, *Braun*, *supra*.

Failure to respond within thirty (30) days of PUBLIC NOTICE comprises denial that the *cestui que* trust created by the UNITED STATES through the Federal Reserve Bank Act of 1913 was ever duly and lawfully ratified by and any assumption of such ratification is false.**

10. **EXHIBIT VERIFIED EVIDENCE proving the knowledgeable and voluntary ratification and acceptance by Paul-Kenneth: and Barbara-Ann: Cromar, of the aforesaid *cestui que* trust. Failure to so exhibit within thirty (30) days of PUBLIC NOTICE comprises stipulation that the said *cestui que* trust was never ratified by Paul-Kenneth: and Barbara-Ann: Cromar, and any assumption of such ratification is false.**

11. **EXHIBIT VERIFIED EVIDENCE proving the granting of a copyright license by Paul-Kenneth: and Barbara-Ann: Cromar, expressly conveying to the licensee the authority to use grammatical derivations of the proper name belonging to Paul-Kenneth: and Barbara-Ann: Cromar, in a scheme of intentional misnomer for profit and gain through an unauthorized *cestui que* trust. Failure to respond within thirty (30) days of PUBLIC NOTICE comprises stipulation that all such misnomers and uses of the aforesaid *cestui que* trust comprise intentional copyright infringement.**

Ed 820. “It is a maxim of the law, admitting few if any exceptions, that every duty laid upon a public officer for the benefit of a private person, is enforceable by judicial process”. *Butterworth v U.S. ex rel. Hoe*, 112 US 50, 5 S. Ct 25, 28 L. Ed 656.

3. “A ministerial officer is liable for an injury done, where his acts are clearly against the law.” *Tracy v. Swartwout*, 10 Pet. 80, 9 L Ed 354. “The judicially fashioned doctrine of official immunity of judicial, legislative or executive officers does not reach so far as to immunize criminal conduct prescribed by an Act of Congress.” *O’Shea v. Littleton*, 414 US 488, 94 S Ct. 669, “in equity there are certain rules prohibiting parties bearing certain relations to each other from contracting between themselves; and if parties bearing such relations enter into contracts with each other, courts of equity presume them to be fraudulent, and convert the fraudulent party into a trustee.” *Perry on Trusts* (7<sup>th</sup> Ed) Sec. 194, in *Braun v Hansen* (1939) 103 F 2d 685. Under the doctrines of *res gestae*, *res ipsa loquitur*, *respondeat superior*, as now having prior knowledge, authority, power, opportunity to prevent or aid in preventing injury, damage, having been or about to be committed. Title 42 USCS Section 1986, as applies to public officials, Officers, by the existence of an agreement between two or more persons, acting in a private conspiracy, *McNalley v Pulitzer Pub. Co.* (1976) 532 F 2d 69, 429 US 855, 50 L Ed 2d 131, to conspire, through said conspiracy, to impede or hinder, or obstruct or defeat the due course of justice in a State or Territory, with the purposeful intent to deny the equal protection of the law, under color of State law or authority, or other, *Griffin v. Breckinridge* (1971) 403 US 88, 91 S Ct. 1790, depriving of having or exercising a Right, Federal Conspiracy to Obstruct Justice Act (Title 42 USCS Section 1985(2), deprivation of due process, even by federal officials, *Williams v. Wright* (1976) 432 F Supp 732, *Founding Church of Scientology v Director, FBI* (1978)459 F Supp 748, 98 L Ed 2d 150, 108 S Ct 199, even District Attorneys, *Rouselle v Perez* (1968) 293 F Supp 298, places upon you the badges of fraud, prior knowledge, superior knowledge of the law, will of intent, perjury of Oath of Office, constructive treason, bad faith, breach of fiduciary/trustee responsibility, whereupon “Being fiduciaries, the ordinary rules of evidence are reversed,” (1939) 103 F 2d 685. Further, being advised, as in *Ex Parte v Young*, 209 US 123 (1908), “The attempt of a State Officer to enforce an unconstitutional statute is a

proceeding without authority of and does not effect, the State in its sovereign or governmental capacity, and is an illegal act, and the officer is stripped of his official character and is subject in his person to the consequences of his individual conduct. **The State has no power to impart to its officer immunity from responsibility to the supreme authority of the United States.** (Emphasis added.)

4. Support NOTES from lower courts: From Perry on Trusts, (7th ed), Sec. 851 "... in order that the release, confirmation, waiver, or acquiescence may have any effect .... The cestui que trust must also know the Law, and what his rights are, and how they would be dealt with by the court." The Supreme Court of Arizona in Garrett v Reid Cashion Land, 34 Ariz 245, 270 P. 3044 at page 1052 quotes thus from Adair v Brimmer, 74 NY 539 "Confirmation and ratification imply to legal minds, knowledge of a defect in the act to be confirmed, and the right to reject or ratify it. The cestui que trust must therefore not only have been acquainted with the facts, but apprised by the law, of how these facts would be dealt with by a court of equity, All that is implied in the act of ratification, when set up in equity by a trustee against his cestui que trust, must be proved, and will not be assumed. The maxim 'ignorantis legis excusat neminem' cannot be invoked in such a case. **The cestui que trust must be shown to have been apprised of his legal rights.**" (Emphasis added.) Also from Ungrich v Ungrich, 115 NYS 413, 417, "The rule (is) that to fasten ratification upon a cestui que trust he must not only have been acquainted with all the facts, but apprised also in the law, and how such facts would be dealt with by a court of equity." Likewise, Thaw v Thaw, 27 Fed 2d 729, US v Carter, 217 US 286, 54 L Ed 769, Wendt v Fisher (Cardozo, J.) 234 NY 439, 154 N.E. 303, Leach v Leach, 65 Wis. 284, 26 NW 754.

5. The delay in discovery of the Frauds stated herein pursuant to Amendment XX provides no defense to the remedy, laches or otherwise. Michoud v Girod, 4 How 503, @ 561, 11 L Ed 1076, Pomeroy's Equity, Sec. 847, Wiget v Rockwood 69 F @d 326, et seq., and from Texas & Pacific Ry, v Pottorff, 291 US 245, 78 L Ed 777, in Braun, supra, "the doctrine is thus affirmed. It is the settled doctrine of this court that no rights arise on an ultra vires contract, even though the contract has been performed; and this conclusion cannot be circumvented by erecting and estoppel which would prevent challenging the legality of a power exercised." And from US v Grossmayer, 9 Wall 72, 19 L Ed 6 27, "A transaction originally unlawful cannot be made any better by being ratified." And, further, following Braun, supra, "It is held axiomatic that no right, by ratification or other means, can arise out of fraud." 13 C.J. 492, Sec. 440, 6 R.C. L., p 698, the following is quoted in Thompson on Corporations, 3<sup>rd</sup> Ed Sec. 2828, from Central Transportation Co. v Pullman Palace Car Co., 139 US 24, as established doctrine of the Supreme Court, "No performance of either side can give the unlawful contract any validity, or be the foundation of any right of action upon it." As said long ago by the great Justice Story in Prevost v Gratz, 6 Wheat 481, 497; 5 L Ed 311, 315, "It is currently true that length of time is no bar to a trust clearly established; and in a case where fraud is imputed and proved, length of time ought not, upon principles of eternal justice, to be admitted to repel relief. On the contrary, it would seem that the length of time during which the fraud has been successfully concealed and practiced, is rather an aggravation of the offense, and calls more loudly upon a court of equity to grant ample and decisive relief." (Emphasis added.)

6. It is a maxim of law that **peonage and involuntary servitude are forbidden, and immunity is denied to any party, real or imagined, person or public official who would or conspire to traffic in slaves or participate in aiding or abetting.** Clyatt v US, 197 US 207 (1905), Plessy v Ferguson, 163 US 537, 542, "Whoever [Title 18 U.S.C. Sec.1581] holds or returns any person to a condition of peonage, or arrests any person with the intent of placing him in or returning him to a condition of peonage, shall be fined not more than \$5,000.00 or imprisoned not more than five years."

7. **All public officials in receipt of this notice are required by their Oath of Office to answer.** Notification of legal responsibility is “the first essential of due process of law” *Connally v. General Construction Co.*, 269 U.S. 385,391. “Silence can only be equated with fraud where there is a legal or moral duty to speak or when an inquiry left unanswered would be intentionally misleading.” *U.S. V. Tweel*, 550 F.2d.297. It is the ministerial fiduciary/trustee duty of each and every government official, officer, agent, contractor and assign of the UNITED STATES, the STATE OF UTAH, the Federal Reserve Banks/System, the International Monetary Fund, the International Finance Corporation, the International Bank for Reconstruction and Development, the Inter-American Development Bank, the World Bank, the Commission of the European Communities, the Organization for Economic Co-operation and Development, the United Nations and any and all other obligors/grantors who view this notice (“Respondents”) to timely and fully answer, *Federal Crop Insurance v Merrill* (1947) 332 US 380., 92 L Ed 10, 68 S Ct 1, 175 ALR 1075.
8. **The period for Respondents to respond to this notice is thirty (30) days.** Any party or public official wishing to answer, respond, refute, rebut, deny, object or protest any statement, term, declaration, denial or provision in this presentment must do so by Lawful Protest within thirty (30) days of the date of issuance or forever lose all rights, titles, interests, and the opportunity to plead. All such responses must be verified and have exhibitions and factual evidence in support annexed thereto.
9. **Respondents may agree with all statements, terms, declarations, denials and provisions herein by remaining silent.** Failure to timely respond to all such terms and provisions with which Respondents disagree comprises Respondents’ stipulation and confession jointly and severally to acceptance of all statements, terms, declarations, denials and provisions herein as facts, the whole truth, correct and fully binding on all parties.
10. **This document serves as Notice of Fault in the event Respondents fail to timely respond.**
11. **Notice of Default shall be issued no sooner than three (3) days after Notice of Fault.** Default is final three (3) days after Notice of Fault is issued. Default comprises Respondents consent jointly and severally to be named as defendant(s) in various actions, administrative and judicial.
12. **Upon Default, all matters are settled *res judicata* and *stare decisis*.**
13. **Default comprises an estoppel of all actions, administrative and judicial, by Respondents against Paul-Kenneth: and Barbara-Ann: Cromar,** 3J. Pomeroy, *Equity Jurisprudence* Section 805, p. 192, *Restatement 2d of Torts* Section 894(1) (1979), and now reasonably relied on, *Wilbur National Bank v US* 294 US 120, 124-125 (1935), due to misconduct by Government agents Heckler v Community Health Services, 467 US 51, at 59, 60, *Federal Crop Ins., supra*. “It [the doctrine of Estoppel by Silence] arises where a person is under duty to another to speak or failure to speak is inconsistent with honest dealings.” *In Re McArdles Estate*, 140 Misc. 257, et seq., and Silence, to work estoppel, must amount to bad faith. *Wise v USDC Ky.*, 38 F Supp 130, 134, where duty and opportunity to speak, *Codd v Westchester Fire Ins. Co.* 14 Wash. 2d 600, 128 P 2d 968, 151 ALR 316, creating ignorance of facts, *Cushing v US Mas s*, 18 F Supp 83, inducing person claiming estoppel to alter his position, *Braunch v Freking*, 219 Iowa 556, 258 NW 892, knowledge of facts and of rights by person estopped, *Harvey v Richard*, 200 La. 97, 7 So. 2d 674, willful or culpable silence, *Lenconi v Fidelity Trust & Savings Bank of Fresno*, 96 Cal. App. 490, 273 P. 103 et seq., “Silence” implies knowledge, and an opportunity to act upon it, *Pence v Langdon*, 99 US 578 @ 581, et seq.
14. **Under the Clearfield Doctrine, derived from the 1943 Supreme Court Decision in Clearfield Trust, et**

al. vs. United States, (328 U.S. 363, 318), the court ruled, in essence, that **when a government reduces itself to a corporate status, it becomes merely another corporation, having no more nor less standing than all other corporations.**

15. The UNITED STATES Supreme court in 2000 ruled, **Bond vs. UNITED STATES 529 US 334-2000**, held that the people are in fact Sovereign and not the STATES or government. The court went on to define that local, **STATE and FEDERAL law enforcement officers are committing unlawful actions against the Sovereign people by the enforcement of laws and are personally liable for their actions.**

16. **“Judicial immunity” is a false doctrine without backing of law.** Claims of “judicial immunity” are frivolous on their face as the Oath of Office anticipates individual criminal action and potential treason by “domestic enemies”, numerous USC Title 18 and other statute cites anticipate individual criminal behavior by government officials, and a new **UNANIMOUS** Supreme Court ruling of December 10, 2020, which also destroys the fatally flawed “judicial immunity” defense by confirming damages as lawful remedy: **“A damages remedy is not just ‘appropriate’ relief as viewed through the lens of suits against Government employees. It is also the *only* form of relief that can remedy some RFRA violations.”** (see *Tanzin v. Tanvir*, 592 U.S. \_\_\_ (2020))
